SUBJECT: Public Safety and Transportation Committee Agenda Item:
Speed Limit Reduction Request: Grace St
Legistar Item#170478

Sir,

On February 5th, 2018, the Public Safety and Transportation Committee met and discussed the above listed agenda item. I had brought the matter back before them at the Board's direction with the expanded traffic study area. This expanded study area resulted in my recommendation to **not** modify the speed limit as previously recommended.

The committee voted as follows to accept my recommendation to **not** modify the speed limit:

Aye: 3 - Michael Corso, Bob Corbino, and John Mullins

Nay: 2 - Jennifer Perkins, and Gary Cation

As such, there will be no further action by staff or the committee on this item. The speed limit on Grace St. from Maple St. to Wilson Ave. will remain thirty (30) miles per hour.
