Village Manager XX *W. T. Lichter* Date 8/11/04

NOTE: All materials must be submitted to and approved by the Village Manager's Office by 4:30 pm, Wednesday, prior to the Board Agenda distribution.

MEMORANDUM

To: William T. Lichter, Village Manager

From: Angela M. Podesta, Utilities Superintendent *AMP*

Date: August 11, 2004

Subject: **Water/Sewer System Supplies Bid**

On Tuesday, August 10, 2004, bids were opened for Water/Sewer System Supplies. Six bids were sent out and four companies responded:

National Waterworks, Inc.
Carol Stream, IL 60188

Ziebell Water Service Products
Elk Grove, IL 60007

Water Products Company
Aurora, IL 60507

Mid American Water, Inc.
Aurora, IL 60505

The bid from Mid American Water, Inc. arrived after the scheduled bid opening time. Therefore, it was not read.

Bids were broken down into ten categories and they were as follows: Category I-Valves/Water, Category II-Couplings/Water, Category III-End Couplings/Water, Category IV-Pipe/Water, Category V-Castings/Water, Category VI-Repair Sleeves/Water, Category VII-Brass Fittings/Water, Category VIII-Fittings/Sewer, Category IX-Couplings/Sewer, Category X-Pipe/Sewer. The total cost of each category was based upon projected need during the upcoming year. The total cost of the bid was based upon the total of all categories. National Waterworks, Inc. and Ziebell Water Service Products submitted prices on all of the required materials. The bid from Water Products Company did not include bids for Category III-End Couplings/Water and Category VII-Brass Fittings/Water. Therefore, the bid from Water Products Company was rejected. The bid tabulation is attached.

The bid amount for water and sewer supplies is \$35,706.51, which is \$30,343.49 under the budgeted amount of \$66,050. A separate Board Item going to the Board for approval on August 19, 2004 is the Fire Hydrant bid which came in over budget by \$3,980. Fire hydrants are budgeted in the same account (Water Distribution Meters/Hydrants/Valves) as the water supplies component of this bid so the remaining budget from the water supplies (\$11,426.10) will cover the additional funds needed for the fire hydrants without exceeding the total budget for the account.

Therefore, I am recommending National Waterworks, Inc., the lowest responsible bidder, be awarded a contract in the amount of \$35,706.51. Please submit this recommendation to the Board of Trustees for their approval at the August 19, 2004 meeting.
