1. **INCORPORATION OF RECITALS.** The foregoing recitals are incorporated in this Agreement as if fully recited herein.

2. **DEVELOPMENT OF SUBJECT PROPERTY.** The Subject Property shall be developed in accordance with the terms of this Agreement and the exhibits attached hereto and made a part hereof. To the extent that any exhibit attached hereto and made a part of this Agreement is labeled as preliminary, the final documents shall be in substantial compliance with the preliminary documents attached hereto. The existing single-family home may remain on the Subject Property until Owner is prepared to develop the Subject Property.

3. **ANNEXATION.** Subject to the provisions of 65 ILCS 5/7-1-1 et seq, as soon as reasonably practical, the Parties agree to do all things necessary or appropriate to cause the Subject Property to be duly and validly annexed to the Village. The Parties shall cause such annexation to be effected pursuant to the provisions of 65 ILCS 5/7-1-8.

4. **ZONING.** Upon annexation of the Subject Property to the Village as set forth herein, the Corporate Authorities shall, without further public hearings, immediately rezone and classify the Subject Property as referenced in **Exhibit B** from the R-0 Single Family Residence District to the R-3 Attached Single-Family Residence District.

5. **SITE PLAN APPROVAL.** The Owner shall develop the Subject Property in full compliance with the Site Plan entitled “Mia and Nina Subdivision”, prepared by Lambert & Associates, as last revised on February 25, 2019 attached hereto as **EXHIBIT B** and made part hereof (the “Site Plan”) and the plans and specifications, prepared by, Lambert & Associates, dated March 15, 2019 attached hereto as **EXHIBIT C** and made part hereof (the “Plans and Specifications”), both subject to changes based upon final engineering. In addition, the Subject Property shall be landscaped in full compliance with Village Code. Said landscaping shall be amended to incorporate any additional planting modifications as required by the Village as part of final engineering review and approval, and as conditioned within any Ordinance approving any requested planned development.

6. **PLAT OF SUBDIVISION.** The Village agrees to approve a preliminary and final plat of subdivision of the Subject Property substantially in conformance of the plat attached hereto as **EXHIBIT D**, and made part hereof.

7. **WATER UTILITIES.**

8. **SANITARY SEWER FACILITIES.**

A. Village represents and warrants to Owner as follows:

- (1) That it owns and operates a sanitary sewer system within the Village.
 - (2) That the Village system has sufficient capacity to provide and will provide sanitary sewer service to the Subject Property, such service to be substantially the same as provided to other attached single-family residential areas in the Village being provided with sanitary sewer by the Village.

9. STORM DRAINAGE FACILITIES.

- A. Storm drainage facilities, and retention and/or detention areas (the "Storm Drainage Facilities") shall be provided and constructed by Owner, at Owner's sole expense, substantially in accordance with the Plans and Specifications within the Subject Property.

In addition, the Storm Drainage Facilities shall be maintained by the Owner and/or any subsequent owner(s) of record of the Subject Property. Such Storm Drainage Facilities shall be maintained by the Owner during the course of development, and thereafter shall be maintained by either the Owner or by the subsequent owner(s) of record of the Subject Property, all in accordance with a Declaration of Covenants to be recorded on the Subject Property, which Declaration of Covenants shall provide the Village with the right, but not the duty, to go upon any portion of the Storm Drainage Facilities to maintain and/or repair or replace such Storm Drainage Facilities if they are not suitably maintained so that they remain fully operational, and if the Village takes, after thirty (30) day written notice to the Owner, in its reasonable discretion, any such action, such Declaration of Covenants shall provide that the owner(s) of the Subject Property shall immediately upon demand reimburse the Village for all reasonable expenses incurred by the Village against the particular portion of the Subject Property, and if not promptly paid, the Declaration of Covenants shall provide the Village the right to record a lien for any such unpaid expenses against the Subject Property or any portion thereof, and to foreclose on any such lien. Prior written notice shall not be required in emergency situations, as determined in the sole discretion of the Village. In regard to the Storm Drainage Facilities, provisions specified by the Village's Director of Community Development

shall be set forth on the final Plat of Subdivision and in a Declaration of Covenants to be recorded relative to the Subject Property, with said Declaration of Covenants clearly indicating that the language cannot be amended or deleted from said Declaration of Covenants, without the prior written consent of the Village. Notwithstanding the forgoing, the Owner obligations shall cease upon conveyance of the Storm Drainage Facilities to the association created by the Declaration of Covenants, at which time said obligations shall be the obligations of the then current owner(s) of the Subject Property.

10. **DEVELOPMENT AGREEMENT.** The Owner and the Village shall enter into a development agreement governing development of the Subject Property, substantially in the form as set forth in **EXHIBIT E**, attached hereto and made part hereof, (the “Development Agreement”).

13. **ILLINOIS DEPARTMENT OF TRANSPORTATION.** Owner recognizes utilities will be required to facilitate the development. Approval from the Illinois Department of Transportation (IDOT) will be required for any work in the IDOT rights-of-way. Owner shall provide the Village with a copy of said approvals prior to Village approval of final engineering.

14. **RECAPTURE AGREEMENT.** In the event, that a recapture agreement is entered into by the Parties, relative to any water or sanitary sewer mains extensions constructed by the Owner, the recapture agreement shall be in the form as attached hereto as **EXHIBIT F**, and made part hereof.

15. **CONSENT TO CREATION OF A SPECIAL ASSESSMENT OR SPECIAL SERVICE AREA:** Owner agree that they will not object to the creation of a Special Assessment incorporating the Subject Property with respect to the construction of any public improvements affecting the area of the Subject Property which may become necessary at a future date. The assessment formula for any such future Special Assessment(s) shall be determined as required by law, taking into account the relative benefit to the Subject Property as a result of the public improvements constructed.

16. **FEES.** In consideration of the impact of the development of the Subject Property on the Village, and in consideration of water mains, sanitary sewer mains and storm sewer mains previously installed by the Village to assist in the serving of the Subject Property with water and sewers, Owner agree to pay all applicable permit (including, but not limited to building permit) and utility connection fees as required by the Village Code at the time of application for the respective

20. **ANNEXATION TO THE HELEN PLUM MEMORIAL LIBRARY DISTRICT.** The Owner agrees to petition the Helen Plum Memorial Library District to have the Property annexed to the Helen Plum Memorial Library District upon its annexation to the Village.

21. **SOIL CONDITIONS.** In the event a preliminary soils exploration, relative to the Subject property, reveals the presence of organic and/or soft clay soils, the construction of the attached single-family home(s) on the Subject Property may require that the building foundation, any structure, and any porch, patio or deck be supported by either piles or caissons. At the time of the construction of any attached single family home(s) on the Subject Property, a minimum of four (4) soil borings, one (1) at each corner of the proposed attached single family home(s), will be required, with the recommendations of a geotechnical engineer, based thereon, being incorporated into the construction plans for said attached single family home(s), as submitted to the Village for approval as part of the building permit process. All flat work shall be installed pursuant to the geotechnical engineer's recommendation and shall include, at a minimum, an engineered fabric designed to support loading of said flat work.

In such case a notice shall be recorded in the form as set forth in **EXHIBIT G**, attached hereto and made part hereof.

B. **Continuity of Obligations.**

1. The provisions of this Agreement, except as to various covenants running with the land and the obligation to provide such and the further exception set forth below in this subsection, obligating Owner, shall not be binding upon the successors in title to the Owner who have purchased individual dwellings or improved individual lots as the ultimate consumers thereof (namely the individuals who actually own and reside in the attached single-family residences to be built on said lots). The provisions of this Agreement shall be binding, however, on any builders who purchase any of the lots for eventual

resale to the ultimate consumers thereof. Notwithstanding the foregoing, the provisions relating to Storm Drainage Facilities in Section 9 also Section 15 in regard to special assessments shall be binding on the ultimate consumers and any builders and shall be considered and are hereby declared as covenants running with the land.

2. In the event of any sale or conveyance by Owner of the Subject Property or any portion thereof, including Outlot B (Detention Pond), but excluding any sale or conveyance by Owner of any individual attached single-family residences while Owner is acting in the regular course of its business of a developer selling or transferring such dwellings to the ultimate consumers thereof, Owner shall notify the Village in writing, within thirty (30) working days after the closing of such sale or conveyance, of any and all successors in title to all or any portion of the Subject Property. Such written notice shall include identification of the names(s) of such successor(s), the date of such sale or conveyance, and a copy of the title opinion identifying the grantee, the real estate sold or conveyed, and such other information as is usually and customarily included in a title opinion for the sale or conveyance or real estate. Failure to give timely notice shall not constitute a default hereunder, but shall be governed by the remaining provisions of this subsection 25B.
3. Upon the condition that the requirements of this subsection 25B have been met, this Agreement shall inure to the benefit of and shall be binding upon Owner successors in any manner in title, and shall be binding upon the Village and the successor Corporate Authorities of the Village and any successor municipality. In the event that the requirements of this subsection 25B have not been met, this Agreement shall be binding upon, but shall not inure to the benefit of Owner successors in any manner in title until such time as Owner has given the Village the notice required by this subsection.
4. Notwithstanding any provision of this Agreement to the contrary, including but not limited to the sale or conveyance of all or any part of the Subject Property by Owner in accordance with subsection 25B(2) above, the Owner shall at all times during the term of this Agreement remain liable to Village for the faithful performance of all obligations imposed upon Owner by this Agreement until such obligations have been fully performed or until Village, in the exercise of its reasonable discretion, has otherwise released Owner from any and all such obligations.
5. Except as otherwise provided in this subsection 25B, all the terms and conditions of this Agreement shall constitute covenants running with

the land.

- C. **Court Contest.** In the event the annexation of the Subject Property, the classification of the Subject Property for zoning purposes or other terms of this Agreement are challenged in any court proceeding, the period of time during which such litigation is pending, including (without limitation) the appeal time therefor, shall not be included, if allowed by law, in calculating the twenty (20) year period mentioned in subsection 25T below.
- D. **Remedies.** The Village and Owner, and their successors and assigns, covenant and agree that in the event of default of any of the terms, provisions or conditions of this Agreement by either Party, or their successors or assigns, which default exists uncorrected for a period of thirty (30) days after written notice to the Party to such default, the Party seeking to enforce said provision shall have the right of specific performance and if said Party prevails in a court of law, it shall be entitled to specific performance. It is further expressly agreed by and between the Parties hereto that the remedy of specific performance herein given shall not be exclusive of any other remedy afforded by law to the Parties, or their successor or successors in title.
- E. **Dedication of Public Lands.** In no event, including (without limitation) the exercise of the authority granted in Section 5/11-12-8 of Division 11 of Act 5 of Chapter 65 of the Illinois Compiled Statutes, shall the Corporate Authorities require that any part of the Subject Property be designated for public purposes, except as otherwise provided in this Agreement or except as may be consented to in writing by Owner.
- F. **Conveyances.** Nothing contained in this Agreement shall be construed to restrict or limit the right of Owner to sell or convey all or any portion of the Subject Property, whether improved or unimproved, except as otherwise specifically set forth herein.
- G. **Survival of Representation.** Each of the Parties agrees that the representations, warranties and recitals set forth in the preambles to this Agreement are material to this Agreement and the parties hereby confirm and admit their truth and validity and hereby incorporate such representations, warranties and recitals into this Agreement and the same shall continue during the period of this Agreement.
- H. **Captions and Paragraph Headings.** The captions and paragraph headings used herein are for convenience only and are not part of this Agreement and shall not be used in construing it.
- J. **Reimbursement to Village for Legal and Other Fees and Expenses.**
 - 1. To the Effective Date of Agreement. The Owner concurrently with

annexation and zoning of the Subject Property or so much thereof as required, shall reimburse the Village for the following expenses incurred in the preparation and review of this Agreement, and any ordinances, letters of credit, plats, easements or other documents relating to the Subject Property:

- (a) the costs incurred by the Village for engineering services;
 - (b) all reasonable attorneys' fees incurred by the Village in connection with this Agreement and the annexation and zoning of the Subject Property; and
 - (c) miscellaneous Village expenses, such as legal publication costs, recording fees and copying expenses.
2. From and After Effective Date of Agreement. Except as provided in this subsection upon demand by Village made by and through its Director of Community Development, Owner from time to time shall promptly reimburse Village for all reasonable expenses and cost incurred by Village in the administration of this Agreement, including engineering fees, attorneys' fees and out-of-pocket expenses.

Such costs and expenses incurred by Village in the administration of the Agreement shall be evidenced to the Owner upon its request, by a sworn statement of the Village; and such mutually agreed upon costs and expenses may be further confirmed by the Owner at either's option from additional documents designated from time to time by the Owner relevant to determining such costs and expenses.

Notwithstanding the foregoing, Owner shall in no event be required to reimburse Village or pay for any expenses or costs of Village as aforesaid more than once, whether such are reimbursed or paid through special assessment proceedings, through fees established by Village ordinances or otherwise.

3. In the event that any third party or parties institute any legal proceedings against the Owner and/or the Village, which relate to the terms of this Agreement, then, in that event, the Owner, on notice from Village shall assume, fully and vigorously, the entire defense of such lawsuit and all expenses of whatever nature relating thereto; provided, however:
- (a) Owner shall not make any settlement or compromise of the lawsuit, or fail to pursue any available avenue of appeal of any adverse judgment, without the approval of the Village.

(b) If the Village, in its reasonable discretion, determines there is, or may probably be, a conflict of interest between Village and Owner and/or Developer, on an issue of importance to the Village having a potentially substantial adverse effect on the Village, then the Village shall have the option of being represented by its own legal counsel. In the event the Village exercises such option, then Owner shall reimburse the Village, from time to time on written demand from the Director of Community Development and notice of the amount due, for any expenses, including but not limited to court costs, reasonable attorneys' fees and witnesses' fees, and other expenses of litigation, incurred by the Village in connection therewith.

4. In the event the Village institutes legal proceedings against Owner for violation of this Agreement and secures a judgment in its favor, the court having jurisdiction thereof shall determine and include in its judgment against Owner all expenses of such legal proceedings incurred by Village, including but not limited to the court costs and reasonable attorneys' fees, witnesses' fees, etc., incurred by the Village in connection therewith (and any appeal thereof). Owner may, in its sole discretion, appeal any such judgment rendered in favor of the Village against Owner.

K. **No Waiver or Relinquishment of Right to Enforce Agreement.** Failure of either Party to this Agreement to insist upon the strict and prompt performance of the terms, covenants, agreements and conditions herein contained, or any of them, upon any other property imposed, shall not constitute or be construed as a waiver or relinquishment of any Party's right thereafter to enforce any such term, covenant, agreement or condition, but the same shall continue in full force and effect.

L. **Village Approval or Direction.** Where Village approval or direction is required by this Agreement, such approval or direction means the approval or direction of the Corporate Authorities of the Village unless otherwise expressly provided herein or required by law, and any such approval may be required to be given only after and if all requirements for granting such approval have been met unless such requirements are inconsistent with this Agreement.

M. **Recording.** A copy of this Agreement and any amendment thereto shall be recorded by the Village at the expense of the Owner.

N. **Authorization to Execute.** The officers of Owner executing this Agreement warrant that they have been lawfully authorized by Owners Board of Directors to execute this Agreement on behalf of said Owner. The President

and Clerk of the Village hereby warrant that they have been lawfully authorized by the Corporate Authorities to execute this Agreement. The Owner and Village shall deliver to each other upon request copies of all bylaws, joint venture agreements, resolutions, ordinances or other documents required to legally evidence the authority to so execute this Agreement on behalf of the respective entities.

- O. **Amendment.** This Agreement sets forth all promises, inducements, agreements, conditions and understandings between the Owner and the Village relative to the subject matter thereof, and there are no promises, agreements, conditions or understandings, either oral or written, express or implied, between them other than are herein set forth. Except as herein otherwise provided, no subsequent alteration, amendment, change or addition to this Agreement shall be binding upon the parties hereto unless authorized in accordance with law and reduced in writing and signed by them. This Agreement may be amended by the Village and the Owner of record of a portion of the Subject Property as to the provisions applying thereto, without the consent of the Owners of other portions of the Subject Property.
- P. **Counterparts.** This Agreement may be executed in two (2) or more counterparts, each of which taken together, shall constitute one and the same instrument.
- Q. **Conflict Between the Text and Exhibits.** In the event of a conflict in the provisions of the text of this Agreement and the Exhibits attached hereto, the text of the Agreement shall control and govern.
- R. **Definition of Village.** When the term Village is used herein it shall be construed as referring to the Corporate Authorities of the Village unless the context clearly indicates otherwise.
- S. **Execution of Agreement.** This Agreement shall be signed last by the Village and the President of the Village shall affix the date on which he/she signs this Agreement on Page 1 hereof, which date shall be the effective date of this Agreement.
- T. **Terms of Agreement.** This Agreement shall be in full force and effect for a term of twenty (20) years from and after date of execution of this Agreement.
- U. **Venue.** The Parties hereto agree that for purposes of any lawsuit(s) between them concerning this Agreement, its enforcement, or the subject matter thereof, venue shall be in DuPage County, Illinois, and the laws of the State of Illinois shall govern the cause of action.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals to this Agreement on the day and year first above written.
