Subject: FY15 GSA Contract Equipment Purchase

---

Included in the FY15 budget are replacements for Village unit numbers SM453 and SM473 (2003 John Deere front end-loader and 2005 John Deere Backhoe with pavement breaker attachment). This equipment is available for purchase through the Federal Government's General Services Administration (GSA) at a considerable discount (contract # GS-30F-0013U). Since John Deere will price guarantee this purchase until delivery in January of 2015, issuing a purchase order now will save us approximately 5% by avoiding a scheduled price increase. GSA pricing is available through our local dealer, West Side Tractor of Naperville (IL).

The contract price for the loader is \$127,253 plus \$25,734 in additional options (see attached for itemized options) equals a total price of \$152,987. Trade-in allowance for our old loader is \$36,000 so the net cost of this purchase would be \$116,987. Budgeted amount we have in reserve for this purchase is \$136,000.

The contract price for the backhoe is \$110,157 plus \$34,679 in additional options (which includes a new pavement breaker) equals a total price of \$144,836. Trade-in allowance for our old backhoe and pavement breaker is \$38,000 so the net cost of this purchase would be \$106,836. Budgeted amount we have in reserve for this purchase is \$112,500.

I recommend the BOT waive bid and award a contract to West Side Tractor of Naperville (IL) in the amount of \$223,823 for a new John Deere 524K front end-loader and a new John Deere 410K backhoe with pavement breaker attachment. I also recommend declaring Village unit numbers SM453 and SM473 as surplus per the attached ordinance and authorize their trade-in. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the September 4, 2014 meeting.

ORDINANCE \_\_\_\_\_

**ORDINANCE AUTHORIZING THE SALE AND/OR DISPOSAL  
OF MUNICIPAL OWNED PERSONAL PROPERTY**
