MEMORANDUM

To: William T. Lichter, Village Manager
From: Angela M. Podesta, Utilities Superintendent
Through: Wes Anderson, Director of Public Works
Date: September 26, 2006
Subject: **Water & Sewer System Supplies**

AMP
Wes Anderson

On Thursday, September 21, 2006, bids were opened for Water & Sewer System Supplies. Three companies responded to the bid and they are:

National Waterworks, Inc
Carol Stream, IL 60188

Ziebell Water Service Products
Elk Grove, IL 60007

Mid American Water
Aurora, IL 60505

Bids were broken down into twelve categories. The total cost of the bid was based upon the total of all categories. Two companies, National Waterworks, Inc. and Ziebell Water Service Products, submitted prices on all of the required materials. Mid American Water did not submit bids on five categories so they did not meet the specifications. The bid tabulation is attached. National Waterworks submitted the low bid.

In the past, the number of items in each category was based upon the projected need during the upcoming year. Last year, minimum quantities for on-hand inventory were developed and purchasing practices were changed to buy items on an as-needed basis to maintain the minimum inventory. Prices were obtained for all of the items kept in stock but purchases will only be made to maintain designated inventory levels. A quantity of one was used for each item for the sole purpose of obtaining a base bid price for comparing the bids. Therefore, the contract will be awarded for the entire budget of \$60,000 for the purchase of water/sewer system supplies throughout the year on an as-needed basis.

I am recommending National Waterworks, Inc, the lowest responsible bidder, be awarded a contract in the amount not to exceed \$60,000. Please submit this recommendation to the Board of Trustees for their approval at the October 5, 2006 meeting.
