100546: Ordinance to Modify Existing Parking Restrictions On Certain Streets Near Westmore School

On October 4, 2010, the Transportation and Safety Committee discussed housekeeping issues to the Village Traffic Code concerning time limit parking conflicts on certain streets around Westmore School. Specifically, recently adopted parking time limit restrictions (May, 2010) on streets surrounding the Westmore School are inconsistent with pre-existing parking time limits located across the street. The Committee voted to modify the Traffic Code concerning parking restrictions on certain streets around Westmore School, requiring various modifications to the Traffic Code. This action requires an ordinance to the Traffic Code as follows:
