To: Chairperson and Transportation and Safety Committee  
Through: Wes Anderson, Director of Public Works *WA*  
From: Nick Hatfield, PE, Civil Engineer *NH*  
Date: September 6, 2006  
Subject: Construction Zone Speed Limits

Staff requests the Committee recommend the attached ordinance, prepared by the Village Attorney, for approval by the Board of Trustees. This ordinance provides the Village with updated language relating to persons speeding or parking within designated construction zones. For reference, the existing portions of the traffic code that will be amended are attached. This language update brings the Village's Traffic Code in line with the State of Illinois' Traffic Code as it allows for both an increased fine for speeding in a designated construction and an increased fine for offenders with multiple speeding violations in a construction zone.

Staff recommends approval of the ordinance as written.
