**Subject:** Transmission Main Project

The Transmission Main Project will install a water main to provide a direct connection from the Civic Center Reservoir at Wilson Avenue and Stewart Avenue to the South Booster Station at School Street and 14<sup>th</sup> Street. The scope of the project is to install approximately 8,500 linear feet of 16" ductile iron water main along the residential streets. The project also includes removal and reconstruction of existing pavement on Wilson Ave from Stewart Ave. to Edgewood Ave, resurfacing of existing pavement along the path of the transmission main on Wilson Ave. from Edgewood Ave to School St., and on School St. from Morris Ave. to Roosevelt Rd.

The budget estimate in the Capital Improvement Plan for construction of this project was \$3,323,000.00. The engineer's estimate was \$3,325,119.00. The low bid was \$2,791,711.51.

Twenty five (25) potential bidders purchased bid documents. On February 5, 2016 at 11:00 AM, Public Works - Engineering received and read aloud ten (10) bids. The results are summarized below:

<b>Company</b>	<b>Bid</b>
Swallow Construction Corporation	\$2,791,711.51
R. W. Dunteman Company	\$3,116,605.07
John Neri Construction	\$3,299,182.80
Martan Construction Inc.	\$3,567,707.95
R.A. Mancini Inc.	\$3,775,820.20
Dimeo Brothers	\$3,876,878.00
J. Congdon Sewer Service	\$3,878,770.00
H. Linden and Sons	\$3,958,418.00
Cerniglia Company	\$3,982,902.00
Conley Excavation	\$4,138,018.00
<b>Engineer's Estimate</b>	<b>\$3,325,119.00</b>

Due to the long process of the IEPA revolving loan, the Village was not able to award the low bid proposal within 90 days from the bid opening as specified in the Specifications for the project. Swallow Construction Corporation has requested a price adjustment for the original bid to cover the price increase on the material supplied by their suppliers. The adjusted proposal is \$2,915,870.01, which is \$124,158.50 more than the original bid amount. The adjusted proposal is still below the Village's budget amount of \$3,323,000.00. In addition, there is a surplus of \$729,304.03 in the IEPA revolving loan for the Transmission Main project and the Roosevelt Rd Water Main Lining project, West Phase. Therefore, the Village will be able to fund the adjusted proposal for \$2,915,870.01 for the project.

Staff will provide copies of the bid tabulation upon request and the complete tabulation will be posted on the Village website after the Village Board of Trustees awards the contract. Please contact me if you choose to receive a copy of the bid tabulation, have any questions or need any additional information.

Public Works Engineering recommends award of this contract for \$2,915,870.01 to Swallow Construction Corporation of Downers Grove, Illinois as the lowest responsible and responsive bidder.
