MEMORANDUM

TO: William T. Lichter, Village Manager

FROM: David A. Hulseberg, AICP, Director of Community Development *DGH*

DATE: September 16, 2004

SUBJECT: **Extension of Ordinance 5358 (PC 03-27; 240 Progress Road)**

Background:

The Board of Trustees approved Ordinance 5358 (PC 03-27) on September 18, 2003 which granted conditional use approval for a planned development for the property at 240 Progress Road. Per the conditional use provisions, if construction has not begun within one (1) year from the date of approval, the conditional use is null and void unless an extension is granted by the Board of Trustees.

After being advised that the conditional use was about to expire, the petitioner submitted a letter requesting an extension of the conditional use. Staff believes that granting an extension is in the best interest of the Village, provided that the petitioner adhere to conditions incorporated in the Ordinance 5358.

Recommendation

Staff recommends that the Village Board approve an Ordinance extending the time period for construction of the conditional use an additional twelve months, until September 18, 2005. A copy of Ordinance 5358 is also attached.

Re: 240 Progress Road
Conditional Use Permit

Dear Mr. Heniff:

I understand that under the Village of Lombard Code that construction under a conditional use should be substantially underway within one (1) year of approval. Our conditional use approval was received on September 18, 2003.

We are seeking a one (1) year extension of such conditional use.

Our delay is arising due to the difficulty in obtaining bona fide construction costs due to external market factors such as the recent rise in oil and steel prices and the ripple effect the same has on those construction materials and the other construction components of which those raw materials are an integral part.

We hereby request that this request be submitted for the Village Board's agenda for the September 16, 2004 meeting.

If any additional information is needed to effectuate this extension, please contact the undersigned.

We look forward to our receiving the Village Board's approval of the same, and appreciate your cooperation in this matter.

Very truly yours
Rothbart Construction Co., Inc.

Gary B. Rothbart
Vice-President
