SUBJECT: IDOT Resolution for Fiscal Year 2022 Roadway Improvement
MFT Section 22-00164-00-RS

Attached please find a Resolution for Improvement Under the Illinois Highway Code for MFT Section 22-00164-RS. This Resolution was requested by IDOT related with their ongoing FY 2022 Audit for the Village's expenditures of 2022 MFT Funding. This Resolution upon approval by the President and Board of Trustees will be forwarded to IDOT's MFT Audit Services to identify that the Village's 2022 MFT Rebuild Illinois Funds were utilized for the 2022 Asphalt Patching and Paving Contract. This will assist IDOT with the closure of their ongoing audit for 2022.

This Resolution appropriates the use of one million dollars (\$1,000,000) of Motor Fuel Tax Funds from the Village's MFT Rebuild Illinois Bond Funds account for the 2022 Asphalt Patching and Paving project. The remaining funds for the program will come from the Village of Lombard's Construction Fund.

Please present this item to the Village Board at their regularly scheduled meeting on February 15, 2024. If approved, please return four (4) certified copies to Public Works Engineering for further processing.
