**SUBMITTED BY:** Carl S. Goldsmith, Director of Public Works *Cg*

**BACKGROUND/POLICY IMPLICATIONS:**

The Public Works Committee has reviewed and is recommending that the Village Board Policy for Complete Streets be adopted by the Village Board of Trustees. The Policy creates a formalized system of reviewing roadway improvements to determine whether multi-modal means of transportation should be incorporated into the projects. The Policy does not mandate amenities be incorporated, but provides guidance to elected officials, appointed officials and staff. Each project will be reviewed for the context and recommendations will be made relative to feasibility and economic impacts.
