"Our shared Vision for Lombard is a community of excellence exemplified by its government working together with residents and businesses to create a distinctive sense of spirit and an outstanding quality of life."

"The Mission of the Village of Lombard is to provide superior and responsive governmental services to the people of Lombard."

Recently, the parking restriction on the north side of Graham Avenue, between Main and Elizabeth Streets was posted "No Parking" at all times from the "No Parking between 9 am and 3 pm on School Days". This change occurred due to our awareness that a more restrictive parking regulation was already in effect and published in the Village's Traffic Code (p.95, Schedule VII). Therefore, it was necessary to coordinate the Village Traffic Code with the signage on the street.

However, should you believe the parking limitations in effect are too restrictive, you may petition the Traffic and Safety Committee to request a modification of the Village Traffic Code. Please contact me at 630-620-5970 if you have any questions or would like additional information.

Sincerely,
