Date of event:	5/6/2018	Event location:	Downtown Lombard
Contact person:	Yvonne Invergo	Title:	Executive Director
Business address:	10 Lilac Lane	City & Zip	Lombard 60148
Telephone:	630-627-5040	Email:	yvonne@lombardchamber.com

**PROJECT OVERVIEW**

Total cost of the project:	\$4145
Cost of city services requested in this application (if any):	\$3600
Total funding requested in this application:	\$3600
Percent of total project cost being requested:	87%
Anticipated attendance:	2000+
Anticipated number of overnight hotel stays:	unknown

Briefly describe the project for which are funds are being requested:

100+ artisans and crafters set up along St. Charles Rd. between Main St. and Elizabeth Rd. Additionally there are food vendors, sponsors, a free Kid Zone and entertainment. Barricades, Electric hook-ups from Public Works, Police presence during the event and Fire Dept. to inspect weighted tents is needed for this event.

**ORGANIZATION**

Number of years that the organization has been in existence:	65 years
Number of years that the project or event has been in existence:	22 Years
Number of years the project has been supported by Village of Lombard funds:	22 Years
How many years does the organization anticipate it will request grant funding?	Every Year

1) Describe the organization (include brief history, mission, and ability to carry out this project):

The Lombard Area Chamber of Commerce and Industry is committed to promote positive development of our community and industries and to enhance the business climate for its members and to stimulate economic growth; to encourage retail, professional service, industrial, cultural and civic growth within the Lombard area. Over the past 22 years, this event has grown in both popularity and size. The process is tweaked each year as needed, and is smooth running and organized. Crafters say that it is the best run show that they are involved with. Each year it brings thousands into our downtown area and Lilacia Park. An excellent committee of dedicated volunteers is credited with helping this event to run smoothly each year.

- 2) Please describe how the program and any proceeds from the event support the goals and objectives of the organization, other local groups or initiatives, and the community at large:

This is one of the Chamber’s main fund raisers. Proceeds benefit several area non-profit organizations, as well as give us the ability to offer more programs for the Lombard Area Chamber of Commerce members. The community at large benefits from having a number of crafters and vendors come into the downtown area, as well as an outdoor event to enjoy. The downtown area businesses have an opportunity to draw customers from the event.

- 3) What is the organization’s plan to make the project self-sustaining?

This event will always need the cooperation and services of the Village of Lombard. We don’t believe that this event could be self-sustaining – the Lombard Chamber cannot afford to put in the extensive time and effort of staff, without grant assistance from the Village. Planning for this event begins in December, and many staff and volunteer hours are put in from December thru the day of the event.

**PROJECT DESCRIPTION**

- Have you requested grant funding in the past?  Yes  No
- Is the event open to the general public?  Yes  No
- Do you intend to apply for a liquor license for this project?  Yes  No
- Will any revenues from this event be returned to the community?  Yes  No

- 1) Provide a full detailed description of the proposed project or event.

Street to be barricaded by 5:00 AM with chalking of the street to begin at that time. 100+ crafters, 5+ food vendors, 5+ independent home party sales and 10+ Kid Zone sponsors, each with their own weighted tents, tables, chairs are set up in the chalked in spaces on St. Charles and Park. Ave. Vendor cars line up on N. Park from Grove to Orchard Terrace. Staggered set up times begin at 6:30 AM. LCPAAA assist with arrival & tear down traffic control. Event opens at 10 AM and ends at 4 PM. The Fun Ones are contracted for arcade games and climbing wall for Kid Zone. Food vendors are located at intersection of Park & St Charles Rd. with spider electric access boxes provided by Public Works. Requests for electric from crafters – provided within the tree vaults with access provided by Public Works. Police personnel on hand for during the day patrol of the event, and Fire Dept. on call for any emergencies that may arise.

2) If your application is accepted, how will the tourism grant funds be used?

To cover the costs of Public Works, Fire Dept. and Police Dept.

3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)?

Additional social media advertising Twitter and Facebook– boosted posts (\$\$) on Facebook. Postings in major craft publications and online sources (Midwest Art Fairs and FestivalNet.com) Full page ad in the Lombardian Newspaper – Press releases in Lombardian, Daily Herald and Suburban Life. Calendar posting on Chicago Tribune, and listing in the Lombard Park District Lilac Time brochure. Paid advertising for online event sites (WhoFish, Oaklees Family Guide, MyFairs and Festivals.com). This event increases each year based on word-of-mouth advertising. With the addition of the pedestrian underpass, we believe that there will be more foot traffic between Lilacia Park and the craft fair this year. Website information will be available on all of the Lilac Time activities in Lombard.
