PROPOSED NO PARKING

**OLD GROVE
PARK**

MICHELLE LN

July 6, 1999

Mr. John Johnson
Village of Lombard
255 E. Wilson Avenue
Lombard, IL 60148

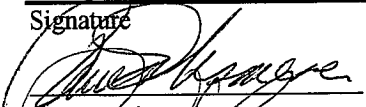

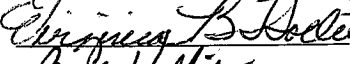

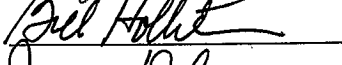

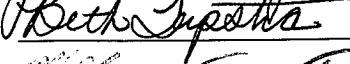

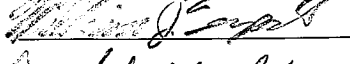

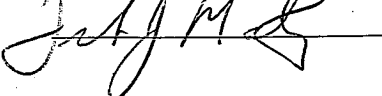

Dear Mr. Johnson,

We the residence of Michelle Lane, across from the Old Grove West Park and Playground, would like to submit this petition with regards to street parking during ball games. 1999 has been the first year that the Lombard Park District has permitted league ball games at Old Grove West Park, and it has caused many problems for the residence in the area.

Coaches and parents have been parking on both sides of the street and it has been virtually impossible for us, the homeowners of Michelle Lane, to get out of our driveways. The children run out from the park and playground between cars and vans and on two occasions, have almost been hit by cars driving up or backing down the street. (people can not pull into drives to turn around as there is no room on the street for vehicles/vans to maneuver. I would also like to note that this is a dead end street, so through traffic is not possible) There is currently an emergency 30 day "no parking 4-8pm, Monday-Friday" in effect. This is about to expire.

We would like to offer the following to the Transportation Safety Committee and Village Board for consideration of a village ordinance: Permanent no parking on the East (park side) of the street, 4-8 pm Monday-Friday-during the ball season. This will allow the residence and park users, to back in/out of driveways. It will also allow some street parking to accommodate for lot overflow. Children can be let out and picked up at the park area without having to run between cars and will be completely visible to traffic. This "no parking" should extend from the driveway of the parking lot-Old Grove West- to the dead end of Michelle Lane, to allow for clear view of playground and park areas and therefore all the children's safety.

The undersigned residence have read this petition and have agreed to this proposal.
