TITLE: Resolution Accepting the Public Improvements at 1S535 Finley Road (Woodmoor Development)

SUBMITTED BY: Department of Community Development 

BACKGROUND/POLICY IMPLICATIONS:

The Department of Community Development transmits for your consideration a proposed resolution to accept the public water main, fire hydrants and sanitary sewer at 1S535 Finley Road (Woodmoor Development). All public improvements were designed, constructed and tested in conformance with Village requirements. (DISTRICT #3)

Staff recommends approval of this resolution.

Please place this item on the June 18, 2020 Board of Trustees agenda for approval.

Note: There is one watermain segment not being accepted at this time as it is not constructed to date – said watermain segment is proposed to be located between Lots 16 and 20 of the development, but it is currently buried under the development's topsoil stockpile. That section will be accepted upon its completion.

FISCAL IMPACT/FUNDING SOURCE:

The public improvements were constructed by the project owner at no cost to the Village.
