TO: PRESIDENT AND BOARD OF TRUSTEES

FROM: Scott Niehaus, Village Manager

DATE: November 4th, 2021 (COW) (B of T) Date: November 18th, 2021

TITLE: Recommendations from the Public Safety and Transportation Committee

SUBMITTED BY: Sergeant Joseph Menolascino, Police Department

BACKGROUND/POLICY IMPLICATIONS:

Request for stop signs (2-way) to be added at the intersection of N/B and S/B Church Ave. at Morris Ave.

Rebecca Lichucki (Chair, Board of Education) at Trinity Lutheran School, 1165 S. Westmore, Lombard IL. along with numerous parents, were concerned about an accident that occurred at the intersection of Church and Morris near Trinity Lutheran School. One of the vehicles involved in the accident was a parent who was dropping off one of her children at the school. The accident was a roll-over accident and fortunately no serious injuries were reported.

From January 2016, the intersection had 1 accident. The intersection is an uncontrolled intersection in all 4 directions. Ofc. Brack, who was the reporting Officer on the scene, and I both agree that the intersection should have a traffic control device. Matt Lew at Public Works has no objection with a 2 way stop sign on Church.

A digital speed sign counter near the intersection was installed to record data (see results below). This count was done for 3 days. The average vehicle counts per day were as following:

E/B	Morris	291 vehicles
W/B	Morris	294 vehicles
N/B	Church	89 vehicles
S/B	Church	N/A vehicles (Dead-end Rd.)

Because of a restricted view near the intersection, the Police Department and PTSC recommends that stop signs should be installed at N/B and S/B Church Ave. (2-way).
