FRONT OF PAMPHLET

PROVIDING FOR THE ABANDONMENT OF  
A PORTION OF SPECIAL ASSESSMENT 213

PUBLISHED IN PAMPHLET FORM THIS 3RD DAY OF MARCH, 2000 .  
BY ORDER OF THE CORPORATE AUTHORITIES OF THE VILLAGE OF LOMBARD,  
DUPAGE COUNTY, ILLINOIS.

**ORDINANCE NO. 4765**

**AN ORDINANCE PROVIDING FOR THE ABANDONMENT OF A PORTION OF SPECIAL ASSESSMENT NO. 213 BY DELETING A PORTION OF WEST ROAD FROM THE PROJECT KNOWN AS SPECIAL ASSESSMENT NUMBER 213**

**BE IT ORDAINED** by the President and Board of Trustees of the Village of Lombard, DuPage County, Illinois, as follows:

**SECTION 1:** That pursuant to Ordinance No. 4688, adopted on August 19, 1999, the President and Board of Trustees, upon recommendation of the Board of Local Improvements, approved a project, known as Special Assessment No. 213, which included the paving and improving of portions of Eugenia Street, Glenview Avenue, Troy Lane, West Road, Windsor Avenue and Woodland Avenue.

**SECTION 2:** That the President and Board of Trustees have now received a RECOMMENDATION TO ABANDON A PORTION OF SPECIAL ASSESSMENT NO. 213 BY DELETING A PORTION OF WEST ROAD FROM THE PROJECT from the Board of Local Improvements, a copy of said Recommendation being attached hereto as Exhibit "A" and made part hereof.

**SECTION 3:** That the President and Board of Trustees find as follows:

A. At the time Ordinance No. 4688, referenced above, was adopted, it was anticipated that the Village had dedicated right-of-way at all locations at which street reconstruction work (new street, curb, gutter, storm sewer, sidewalk, street lighting and parkway restoration) was to take place.

B. That subsequent to the adoption of Ordinance No. 4688, and the filing of the Petition in this matter, it was brought to the Village's attention that portions of the right-of-way of West Road, South of Woodland Avenue, apparently were never dedicated for right-of-way purposes.

C. That the street reconstruction work, relative to the aforementioned portion of West Road, cannot be done in accordance with the plans and specifications as a result of said lack of dedicated right-of-way.

D. That pursuant to 65 ILCS 5/9-2-6, the President and Board of Trustees may, prior to the confirmation of a special assessment in Court, upon recommendation of the Board of Local Improvement and without further hearing before the Board of Local Improvements, by ordinance abandon any portion of a proposed special assessment.

**SECTION 4:** That based on the foregoing, the street reconstruction work relative to that portion of West Road located South of Woodland Avenue, as contemplated as part of Special Assessment No. 213, is hereby abandoned pursuant to 65 ILCS 5/9-2-6.

**SECTION 5:** That the Village Attorney is hereby directed to file a certified copy of this Ordinance with the Circuit Court of DuPage County in Case No. 99 TX 10, Lombard Special Assessment No. 213, and to thereafter have appropriate orders entered in said Court proceeding to:

A. Delete those parcels along West Road, located South of Woodland Avenue, from the Assessment Roll and Report; said parcels consisting of the following permanent tax index numbers:

- 06-06-309-008 and - 011;
- 06-07-102-019,-020,-021,-022,-023,-024,-025,-026,-027,-028,-033,-034,-035,-037,-052 and -053;

- 06-07-200-006 and -008;
- 06-07-201-001,-003,-011 and -012; and
- 06-07-202-001,-009 and -015.

B. Reduce the overall project assessment amount by \$580,953.06, based upon the cost

estimate, for those construction items no longer required as a result of the aforementioned abandonment of a portion of Special Assessment No. 213, attached hereto as Exhibit "B" and made part hereof, and in accordance with the following:

Said project assessment reduction to be made up of the deleted assessments relative to the parcels set forth in subsection A above, and a reduction of the public benefit assessment relative to the balance, as said reduced costs relate specifically to only the street reconstruction work in regard to that portion of West Road that is being abandoned.

**RECOMMENDATION TO ABANDON A PORTION OF SPECIAL ASSESSMENT  
NO. 213 BY DELETING A PORTION OF WEST ROAD FROM THE PROJECT**

TO: Board of Trustees of the Village of Lombard  
DuPage County, Illinois

**WHEREAS**, the Board of Local Improvements has been advised that certain portions of the West Road right-of-way, which were thought to have been previously dedicated for right-of-way purposes, apparently were not so dedicated; and

**WHEREAS**, because of the aforementioned lack of dedicated right-of-way, it will not be possible to construct the street improvement relative to West Road (new street, curb, gutter, storm sewer, sidewalk, street lighting and parkway restoration) as originally proposed; and

**WHEREAS**, 65 ILCS 5/9-2-6 allows a municipality, upon recommendation of the Board of Local Improvements, to by ordinance abandon any portion of a proposed Special Assessment improvement, without further action by or hearing before the Board of Local Improvements, at any time prior to the confirmation of the Special Assessment in Court; and

**WHEREAS**, as the Village cannot reconstruct certain portions of West Road in accordance with the plans and specifications as proposed, because of the aforementioned lack of dedicated right-of-way, it is not in the best interests of the Village to reconstruct West Road, pursuant to Special Assessment No. 213, at those locations at which there are issues relating to the lack of dedicated right-of-way;

**NOW, THEREFORE**, the Board of Local Improvements heretofore appointed and now serving in that capacity herewith submits a draft of an Ordinance providing for the abandonment of a portion of Special Assessment No. 213, by deleting a portion of West Road from the project known as Special Assessment No. 213, all as described in the accompanying Ordinance attached hereto and made a part hereof.

We recommend the passage of the said Ordinance and the making of the said improvement, as amended to delete said portion of West Road therefrom, the costs thereof to be paid for by Special Assessment.
