Briefly describe the project for which are funds are being requested:

The Lilac Queen and her Court have been a cornerstone of the Lilac Festival in Lombard since 1930. The Lilac Princesses and the Queen serve as ambassadors for the Village of Lombard during Lilac Time, making many community appearances including the Park District Easter Egg Hunt, Little Lady Lilac Ball, Lilac Ball, and the Lilac Parade. They serve as positive role models, volunteering at various community events throughout the spring and summer, including the Village Blood Drive and TLC Camp, a camp for children with cancer held annually in Lombard. Each Princess (4) and the Queen receives a \$1,000 scholarship, which was established by the Village in 2001, at the time the Lombard Junior Women’s Club was asked by the Park District to run the program.

In addition to the traditional program, 2020 is a special year as it marks the 90th Coronation of the Queen. To commemorate this special event, we will be hosting a reunion-style event for members of the past Lilac Courts and their families. We are currently trying to coordinate efforts with the Lombard Historical Society and Park District to draw in as many out of town guests as possible. We are also working with Embassy Suites in Lombard to offer a special hotel rate for guests that plan to attend the event. We will include hotel stay and special rate information in our marketing communications regarding the event.

The grant funds requested in this application would be used to support the selection of the Lilac Queen and her Court, to support a portion of the expenses associated with their participation in numerous Lilac Time Events, to support 1/4 of the expenses to host the 90th Lilac Court Celebration event, and to provide the five (5) \$1,000 scholarships that have been awarded by the Village of Lombard since 2001. In addition, a portion of the grant may be used to support the cost of a 2nd float in the Lilac Parade for the 2019 Lilac Court. Due to weather circumstances, the 2019 Lilac Parade was cancelled, and the 2020 Lilac Parade Committee has requested that the 2019 Court lead the parade in 2020. While we are expecting to find in-kind support for this expense, we’ve included it as a line item in our budget.

ORGANIZATION

Number of years that the organization has been in existence:	89
Number of years that the project or event has been in existence:	89
Number of years the project has been supported by Village of Lombard funds:	The Village of Lombard has supported the scholarships for 19 years and additional program expenses for the past 5 years.
How many years does the organization anticipate it will request grant funding?	Undetermined for scholarship funds; the LJWC continues to find opportunities to raise more money to support program expenses and to decrease the grant request beyond the scholarships.

1) Describe the organization (include brief history, mission, and ability to carry out this project):

The Lombard Junior Women’s Club (LJWC) was established in 1930 by members of the Lombard Women’s Club. LJWC is part of the General Federation of Women’s Clubs, an international women’s organization dedicated to community service. LJWC embraces this mission and participates in many local service projects with organizations such as, Easterseals, Reclaim 13, SCARCE, Northern Illinois Food Bank, Hines VA Hospital, Feed My Starving Children, cooking and providing food for Lombard PADS, providing Christmas gifts for low-income families, and providing Thanksgiving baskets through York Center, to name a few.

The LJWC has successfully run the Lilac Princess Program for the past 19 years in addition to TLC Camp, our day camp for children with cancer and a sibling, which is in its 38th year. These programs require dedication, leadership, management, fundraising, organizational, and collaboration skills. We take great pride in the countless hours our members have worked to improve our community through service and philanthropy, and we have built strong relationships with community organizations through this program throughout the years. We remain confident in our ability to carry out the Lilac Princess Program in 2020.

- 2) Please describe how the program and any proceeds from the event support the goals and objectives of the organization, other local groups or initiatives, and the community at large:

Lombard has been called the Lilac Village since the late 1920s, and the first Lilac Festival was held in 1930. The Lilac Queen and her Court have reigned over Lilac Time since this first festival and their presence at these events continues to be an exciting tradition for the Lombard community. By supporting Lilac Time, the Lilac Princess Program supports the Village of Lombard's brand, a priority identified by the community, as well as the Village's vision of creating a distinctive sense of spirit and an outstanding quality of life for its residents. The Lilac Queen and her Court also support Lombard Park District and Lombard Chamber of Commerce events during Lilac Time. In addition, the Princess Program supports the LJWC's goals of service to the community and developing leadership, organizational, and management skills in our members.

There are no direct proceeds from the Lilac Princess Program. The Lilac Princesses support the Park District at events including the Little Lady Lilac Ball and the Easter Egg Hunt and the Chamber of Commerce at the Lilac Ball and Arts & Crafts Fair where funds are raised. However, these funds do not directly benefit the Lilac Princess Program or the LJWC.

- 3) What is the organization's plan to make the project self-sustaining?

The LJWC financially supported the Lilac Princess Program expenses from 2001-2014 at a cost of \$2,500-\$4,500 per year. This figure does not include the \$5,000 in scholarships that were provided by the Village of Lombard or the float for the Lilac Parade provided by the Park District at a cost of \$650.

In 2015, LJWC received a grant from the Village to support program expenses in the amount of \$2,125 plus \$5,000 for the scholarships. In 2016, we requested \$1,945 for program expenses plus \$5,000 for the scholarships and used funds raised by the LJWC at a Mother-Daughter Tea to cover the remainder of the program expenses. In 2016 through 2018, the LJWC held a Floral Showcase to raise funds for the Lilac Princess Program expenses. In 2019, we decided to sunset the Floral Showcase event, due to low ROI, and we introduced a new fundraising concept and partnered with Nothing Bundt Cakes to donate a portion of sales back to the program (we raised \$120).

We have outlined our 2020 fundraising plan which includes sponsorship opportunities, "dining nights out" at local restaurants to support the program, donation solicitation (through platforms like Facebook), and requests for more in-kind donations. In addition to fundraising specifically for the Lilac Princess Program, the LJWC appropriates philanthropic funds raised to support its other projects, like TLC Camp, to the Lilac Princess Program.

*It is important to note that expenses for the 2020 program include a line item for the 90th Lilac Court Celebration event. This is a one-time event that increases the budget for 2020 but will not be included in 2021.

PROJECT DESCRIPTION

- Is the event open to the general public? Yes No
Do you intend to apply for a liquor license for this project? Yes No
Will any revenues from this event be returned to the community? Yes No
Have you requested grant funding in the past? Yes No

If yes, provide grant awards for past 5 years:

2015: \$7,125 2016: \$6,945 2017: \$6,645 2018: \$6,029 2019: \$6,029

1) Provide a full detailed description of the proposed project or event.

A detailed timeline of events has been attached to this application and reflects several months of planning and preparation prior to January 2020 and the selection of the Lilac Court at Preliminary Judging on March 8, 2020. From mid-March through mid-May, the Lilac Queen and her Court, along with their LJWC sponsors, will be actively involved in numerous community events as outlined, and additional events will be considered and accepted as time allows. During the month of June, the Queen and her Court will volunteer at the TLC Camp Carnival, making this program a nearly year-long commitment for the LJWC sponsors. In addition to the traditional program events, the LJWC plans to host a reunion-style event in May to commemorate the 90th Lilac Queen and to celebrate past Lilac Courts.

2) If your application is accepted, how will the tourism grant funds be used?

Grant funds will be used to support the Lilac Princess Program from the selection of the Court on March 8, 2020 to their appearance in the Lilac Parade on May 17, 2020. A detailed budget is included at the bottom of this application and reflects the following needs: \$5,000 in scholarships (\$1,000 per eligible Princess*), flowers for many appearances, Lilac Ball expenses, printing and mailing costs, other expenses related to the selection and public appearances of the Lilac Court, and \$2,000 for the 90th Lilac Court Celebration event.

*The LJWC understands that Village grant funds cannot be used to provide a scholarship for a Village employee's child. If necessary, we will address this as our financial situation allows.

3) What modifications to the event or other steps will be taken to increase event attendance over previous years (not applicable to first time events)?

Based on previous experiences, we plan to continue to review local school calendars to avoid conflicts with Preliminary Judging and will continue to work to increase advertising for potential Princesses via posters in and outside of local high schools, via local newspapers and via social media. We have also created roles on our Lilac Princess Program committee aimed at increasing our communication with community partners with the goal of increasing visitor attendance at Lilac Time events. We plan to continue to leverage social media to draw former residents back to Lombard and Lilac Time, including past Princesses, their friends and families. We also plan to offer out of town guests a special hotel rate at the Embassy Suites to encourage them to visit Lombard and attend the 90th Lilac Court Celebration event.

MILESTONES AND TIMETABLES

Describe the milestones that will mark the progress towards implementing the project and provide a timetable for the completion of each milestone.

Please see the attached detailed timeline for the Lilac Princess Program.

IMPACT

1) Please describe how the event or program will promote overnight stays and/or tourism within the Village of Lombard.

The Lilac Court serves as community ambassadors throughout Lilac Time in Lombard at numerous events. Directly we can attribute at least 15 overnight stays in 2019 to relatives and friends of the Lilac Court. Indirectly, Lilac Time events supported by the Lilac Court, accounted for many more overnight stays as well as visitors to local merchants and restaurants. The target audience for the 90th Lilac Court Celebration is past Court members and their families, and we expect many of the attendees to be out of town guests. We’ve tentatively selected the date of May 16 to directly coincide with the Lilac Parade and anticipate visitors will stay for the weekend to enjoy both events. We are currently in discussion with Embassy Suites Lombard to offer out of town guests a special hotel rate specifically for this event.

- 2) Please describe the economic benefit to local businesses and the Lombard community. How will your event draw more people from outside the local market (50 miles or more) or attract a new visitor audience?

We continue to work with other community organizations to promote Lilac Time to new potential visitor groups. We will continue to invite former Princesses to Lilac Time events. Many of these women live outside of the area and would travel over 50 miles with their friends and/or families to attend Lilac Time events. We will also continue to encourage Princess families to invite their own out of town guests to attend Lilac Time events.

We also hope that by offering sponsorship opportunities to local businesses it will encourage patronage by out of town visitors. We plan to include a listing of sponsors on event programs (e.g., Tiara Presentation, Coronation, etc.) and in social media postings related to program events. We expect this would encourage out of town guests to visit these businesses while they are in town for Princess Program events.

- 3) Who is the target audience for your event or project? What is your anticipated attendance?

The target audience for this program is primarily Lombard residents. We take pride in this program and giving young adults an opportunity to celebrate their personal accomplishments. They serve as positive role models, dedicating their time to many community events throughout the year. The Lilac Princess Program has become a staple to our community through the years and we believe that every Lombard resident, past, present and future, could be identified as a target audience.

- 4) Please identify and detail the estimated cost of any Village of Lombard services anticipated as part of the event (e.g., Police, Public Works, barricades, etc.). For each cost, confirm whether you are requesting the costs for such services will be reimbursed to the Village or will be covered under this grant.

We do not anticipate any Village of Lombard services being required as part of the Lilac Princess Program.

- 5) Please describe any collaborative arrangements developed or anticipated with other organizations to fund or otherwise implement the project (including in-kind donations).

The Lombard Service League purchases the tiaras for the Princesses to be gifted at the Tiara Presentation and they provide refreshments at Coronation.

The Lombard Park District provides the float for the Lilac Parade up to \$650 value. They also provide venues as a nominal cost for the Lilac Princess Preliminary Judging.

Glenbard East Music Department student musicians donate their time to provide music at the Tiara Presentation and Coronation. We donate \$100 to the GE Music Department for each event.

Maple Street Chapel allows us to use the chapel and multipurpose room for the Tiara Presentation and reception. We donate \$100 for their contribution.

The InkWell donates program advertisement posters and invitations for the Tiara Presentation and Coronation. They also provide programs for the Tiara Presentation and Coronation at a nominal cost.

The Lombard Chamber of Commerce provides 10 tickets to the Lilac Ball for the Lilac Court and their escorts.

We are in discussions with the Lombard Historical Society and Lombard Park District to co-host the 90th Lilac Court Celebration event.

Many local organizations and business present gifts to the Lilac Court at the Tiara Presentation. Past presenters have included the Park District, Historical Society, Chamber of Commerce, Lombard Garden Club, Maple Street Chapel Preservation Society, Helen Plum Library, The Ladies Room, ClaSha Boutique, and Drytini. We anticipate many of these same organizations to contribute to the event in 2020.

- 6) Please describe your marketing plan. Detail the strategies your organization will use to promote the event or project (e.g., advertising, public relations, marketing, print materials, promotional pieces).

We plan to market to potential Princesses via the Park District Spring Activity brochure, the Lombardian newspaper, and posters in and outside of local high schools and businesses. We work jointly with the Park District, the Village, the Chamber of Commerce and other community organizations as needed to promote Lilac Time events prior to and during the events via appearances and participation. Over the past several years, we have utilized social media, specifically Facebook, to promote events. We have a public page and have plans to post often about the program as well as create Facebook events for each specific Lilac Princess event. We also expect to launch our new LJWC website by the end of 2019.

- 1) Please summarize the advertising and marketing placed to promote the event. Please attach examples of event marketing pieces and advertisements.

The Lilac Princess Program was promoted through various local advertising channels. Posters, donated by The InkWell, were created to advertise the call for applicants. The posters were distributed to the area high schools and local businesses such as the Lombard Pharmacy and Potted Petals. An advertisement and the application were also included in the Lombard Park District Spring Activity Brochure. In addition, an editorial was included in The Lombardian, along with a snippet of the application. The LJWC also ran an announcement on the Village electronic sign. Throughout the Lilac Time season, announcements were made on the Lombard Junior Women’s Club Facebook page informing the community about which events the Princesses would be attending. The Lombardian covered many of the Princess Program events, with several front-page covers. There was also mention of the Princesses as special guests on the invitation for the Little Lady Lilac Ball that the Lombard Park District mailed to residents. Lastly, the Queen’s Coronation was broadcast on Channel 6.

- 2) Provide a general assessment of the event. What were the successes of the event? Are there any concerns or recommendations of changes for future events?

Overall, the program was very successful! We had eleven young women interview at preliminary judging on March 3, 2019 (this was a 2 person increase from the year before). In order to encourage more women to apply next year, the LJWC and the committee will be looking into utilizing additional social media channels (i.e., Instagram) for advertising of the program. We also changed preliminary judging from a Saturday to a Sunday this year to avoid conflicts with school events. This seemed to work well, and we will continue this next year. Throughout Lilac Time, the Princesses attended most of the community scheduled events, making an appearance and mingling with Lombard residents. At all events, the Princesses were well received, especially by kids. People were excited to see them and take photos. Next year, we hope to engage earlier with Lombard organizations, like the Park District, Chamber of Commerce, and others, to see how we can work together or enhance their event by having the Princesses make an appearance or help with the event. In addition, as in year's past, the committee did a good job utilizing local businesses for supplies and services throughout the program. We will continue to "shop local" when purchasing materials for the events.

- 3) How did the actual outcomes of the program or event compare to your original expectations? How did the event compare to the proposal and concept as initially presented to the Village?

The outcomes of the program met and slightly exceeded expectations this year. Eleven young women interviewed at preliminary judging; a 2 person increase from last year. The program also engaged more directly with Lombard businesses and organizations than it has in the past, keeping the lines of communication open with the Park District, Village, and Chamber of Commerce. In addition, the LJWC utilized social media more this year to publicize Princess appearances at Lilac Time events. The program matched the concept as presented in the grant application and, in fact, more in-kind donations were received this year than originally anticipated, through organizations like the Lombard Service League, Lombard Park District, Maple Street Chapel, The InkWell, Wickstrom Chevy, The Ladies Room, Lombard Historical Society, and others.

- 4) Summarize how the program performed from a budgetary standpoint and describe how the program and any proceeds from the event were supportive of the organization, other local groups, initiatives or the community at large.

The program performed as expected and within budget. There are no direct proceeds related to the Lilac Princess Program as it functions as a local scholarship awarded to five young female members of the community. However, the Program engages Lombard businesses as much as possible when purchasing supplies or hosting events. Businesses and organizations impacted in 2019 include: The InkWell, La France Café, DOC Wine Bar, Shamrock Gardens Florist, Potted Petals, Embassy Suites, the Lombard Chamber of Commerce, the Lombard Park District, TLR Gives Back Foundation, Dunkin Donuts, Mariano's, Jewel-Osco, TLC Camp, BRIO, Image 360, Glenbard East Music Department, and Babcock's Grove. It is estimated that the Lombard Junior Women's Club spent over \$2,000 at these local businesses and organizations. In addition, the Princesses are involved in events such as the Little Lady Lilac Ball, Lilac Ball, and Arts & Crafts Fair, where funds are raised to support Lombard organizations.

- 5) Describe your organization's long term plans for funding this project or event.

The Lombard Junior Women's Club will continue to strive to provide additional financial support for this program beyond the grant provided by the Village for the scholarships. However, as the program and the events are public appearances and are not revenue generating, we have had to explore alternative fundraising opportunities. As per the Village's recommendation at the 2019 grant meeting, we hosted a fundraiser for the program through Nothing Bundt Cakes in May and raised \$120 for the program. For the 2020 Princess Program, we're looking into options to host a fundraising event that coincides with the 90th Coronation of the Queen, in addition to developing a sponsorship package for the program.

A tradition continues

Eleven young women vied for one of the five places on the 2019 Lilac Court on Sunday, March 3, at Sunset Knoll Recreation Center in Lombard. The five members of this year's court were selected by a panel of three judges. The contest, sponsored by the GFWC Illinois Lombard Junior Women's Club, is a longtime tradition in Lombard. Pictured with the contestants before the judging began are (standing left to right) contest chairman Brittney Conway and assistant chairman Nancy Spartz, Lombard Junior Women's Club president Diane Addante, 2018 Lilac Princesses Madeline Novak, Elizabeth Reiter and Chiara Biddle, and contest committee members Penny Bradbury, Ellen Leitschuh, Maria Uribe, Rose Burgess and Jackie Stawiarski. A tiara presentation for the princesses and their families will be held in the Maple Street Chapel on Monday, March 18.
