Subject: "No Parking" Lincoln Park Condominiums – Lincoln Avenue

A sight-distance issue was brought forward by David Hulseberg, Assistant Village Manager, for the intersection of Lincoln Avenue and the northern entrance/exit of Lincoln Park Condominiums. Staff requests a change to the Village Traffic Code to post "No Parking" on the east side of Lincoln Avenue, from a point 502 feet north from the curb of the northeast corner of Lincoln Avenue and St. Charles Road, to a point 547 feet from the same curb. *A second posting on the east side of Lincoln Avenue, from the curb of the northeast corner of Lincoln Avenue and St. Charles Road, to a point 112 feet north is also requested. These postings effectively remove an available on street parking spot at each location, which, when occupied, provide a significant sight obstruction for vehicles exiting the condominium complex.* Please see the attached aerial image for further reference.

This item will be on the November 6, 2006 Transportation and Safety Committee agenda. The meeting is held at the Village Hall in the Community Room at 7:00 PM. This is a public meeting and public participation is encouraged.
