Subject: Agenda Item for Separate Action RE: Village Web Site

Based on District 1 residents' requests at my November 15, 2003 meeting, I am asking to have a portion of the Village web site allocated where I can post updates to District 1 events and issues as well as other village issues.

Staff time would only be required to post the information that I provide on a bi-weekly basis. It is not an interactive link. If residents have questions or concerns they would send me an e-mail message or call me directly.

I would like this request considered Items for Separate Action on the January 15, 2004 Village Board Agenda.
