### **Technology Drive Parking Restriction**

The Public Safety and Transportation Committee reviewed a Village staff request for a parking restriction within the Technology Drive cul-de-sac. The Committee reviewed the request at the February Public Safety and Transportation public meeting.

Public Works staff has encountered difficulties during snow plow operations with parked vehicles within the court. DuPage Medical Group constructed additional off-street parking east of the cul-de-sac, but the cul-de-sac remains closer than that parking. That parking lot had no vehicles within it during a field site visit. Additionally, the facility is a surgical medical center, so EMS vehicles should have clear access to the facility driveways. The proposed restriction is a no parking restriction within the Technology Drive cul-de-sac.

During the February 5, 2018 meeting, the Public Safety and Transportation Committee voted to recommend the parking restriction in accordance with staff recommendation.
