Subject: FY19 Vehicle Replacement, 4x4 Pickup Truck with Plow

A Public Works 4x4 pickup truck with plow (unit # ST322) is due for replacement in FY 2020. Staff would like to purchase a new replacement pickup and transfer the old pickup to the Fire Department to replace a pickup truck (unit # FR80) that was sold this year due to high maintenance costs. Since the lead time is about 4 months, staff is seeking approval to order the new pickup now. This way the Fire Department will have a pickup truck with plow available for use at the beginning of this winter.

The Ford F-250 4x4 Pickup truck is available for joint purchase through the Suburban Purchasing Cooperative (SPC contract # 178). The current contract winner for the SPC is Currie Motors of Frankfort (IL). The cost of the 4x4 pickup with plow is \$35,917. The budgeted replacement cost for this vehicle is \$36,500.

I recommend the Board of Trustees waive bid and award a contract to Currie Motors of Frankfort (IL) in the amount of \$35,917 for a new Ford F-250 4x4 pickup with plow. Please submit this item to the Village Board for their consideration at the June 20, 2019 meeting.
