Subject: No Parking on Stewart

Sargent John Lavery, Police Department, requested the "No Parking" signs be installed on the east and west side of Stewart from Rt. 38 to 675 feet north. McDonalds throughout the year has special promotions which draws many customers to their restaurant. This creates traffic congestion at and near the intersection of Rt. 38 and Stewart. To better control the traffic in this area "No Parking" signs were installed as requested above. During McDonalds recent promotion of "Beanie Babies" The Police Department did not experience any congestion or problems with moving traffic.

I concur with the Police Department recommendation to post Stewart "No Parking" as requested above.
