Subject: FY22 Sourcewell Cooperative Contract#032515-JDC Equipment Purchase

Included in the FY22 budget are replacements for Village unit number WT472, (2010 John Deere Backhoe 410J with pavement breaker attachment). This equipment is available for purchase through the Sourcewell Cooperative purchasing Contract #032515-JDC (formally known as U.S. Communities Purchasing Cooperative) at a considerable discount. Since John Deere will price guarantee this purchase until delivery in January of 2022, issuing a purchase order now will save us approximately 5% by avoiding a scheduled price increase. Sourcewell pricing is available through our local dealer, West Side Tractor of Naperville (IL).

The contract price for the backhoe is \$113,827.84 plus \$48,414 in additional options (see attached for itemized options) equals a total price of \$163,241.92. Trade-in allowance for our old backhoe is \$40,000 so the net cost of this purchase would be \$123,972.23. Budgeted amount we have in reserve for this purchase is \$160,000.

I recommend the BOT waive bid and award a contract to West Side Tractor of Naperville (IL) in the amount of \$123,972.23 for a new John Deere 410L backhoe with pavement breaker attachment. I also recommend declaring Village unit number WT472 as surplus per the attached ordinance and authorize the trade-in. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the September 16, 2021 meeting.
