

MEMORANDUM

TO: Scott R. Niehaus, Village Manager

FROM: William J. Heniff, AICP, Director of Community Development *WJH*

MEETING DATE: January 17, 2019

SUBJECT: **Text Amendments to the Village Code of Ordinances, Chapter 150.141: Building Permit Fee Amendments**

The Village Board approved the first reading of text amendments to Chapter 150.141 of the Village Code (the Building Permit Fee Schedule) at their January 3, 2019 meeting. As was noted at the meeting, the provisions set forth within Ordinance 7553, adopted in July, 2018 and became effective on January 1, 2019 pertaining to building permit re-inspection fees was inadvertently omitted from the initial draft ordinance. The revised draft ordinance incorporates the language previously adopted via Ordinances last summer by the Village Board. Staff also made a few minor non-substantive amendments for clarity purposes with the past Board of Building Appeals (BOBA) recommendation.

ACTION REQUESTED

Attached for second and final reading is the amended Building Permit Fee Schedule ordinance that incorporates the BOBA recommendations as well as the previously adopted code amendments.

ORDINANCE _____

**AN ORDINANCE AMENDING TITLE XV, CHAPTER 150, SECTION 150.141
OF THE LOMBARD VILLAGE CODE**

WHEREAS, the Lombard Board of Building Appeals met on December 5, 2018, to consider the Village Code amendments set forth below; and,

WHEREAS, the Lombard Board of Building Appeals has also filed their recommendations with the President and Village Board of Trustees, recommending approval of the Village Code amendments set forth below;

WHEREAS, the President and Board of Trustees approve and adopt the recommendations of the Lombard Board of Building Appeals and incorporate such recommendations herein by reference as if they were fully set forth herein;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF LOMBARD, DU PAGE COUNTY, ILLINOIS, as follows:

SECTION 1: That effective April 1, 2019, Title XV, Chapter 150, Section 150.141 of the Lombard Village Code is hereby repealed in its entirety.

SECTION 2: That effective April 1, 2019, Title XV, Chapter 150, Section 150.141 of the Lombard Village Code shall be amended to read in its entirety as follows:

 - (6) No occupancy certificates shall be issued by the Village until all outstanding engineering fees have been paid.
- (J) Planning Services Fees. All major plats of subdivision and major developments, as defined in Title 15, Chapter 15, Section 154.703, shall be subject to the following planning review fees:

- (1) A fee of 0.25% of total improvements costs (includes all public and private improvements, exclusive of interior buildout/improvement costs) for the first \$4,000,000.00 and 0.13% for total development costs above \$4,000,000.00.
- (2) No construction permits shall be issued by the village until all planning review fees have been paid.
- (3) No occupancy certificates shall be issued by the village until all outstanding planning review fees have been paid.

(K) Other Fees

(1) Plan Review Fee Application Deposit

- (1) Plan review fees shall be paid if the plan review has been completed by the Village and/or its agents. This fee shall apply even if the permit applicant withdraws the permit application, or does not pick up the permit.
- (2) Plan Review Fee Application Deposit. All major developments, as defined by Section 154.306 of this Code, shall be subject to a \$10,000.00 deposit to covers of the initial building permit review and/or engineering plan review at the time of application, with the applicant being required to pay for additional building permit review and/or engineering plan costs incurred by the Village above and beyond said \$10,000.00 deposit, through the review process. In the event that the costs incurred by the Village, relative to the building permit review and/or engineering plan review, exceed \$10,000.00 the Village reserves the right to require the right to require the applicant to provide an additional deposit to cover the anticipated additional costs to complete the review. All such amounts that are deposited with the Village, that are unexpended as part of the building permit review and/or engineering plan review process, shall be applied as a credit towards the final permit fees at the time of permit issuance.

(2) Traffic Impact Advisory Services

In addition to all other fees established by this Section 150.141, all applications for building permits, and all applications for as Plan Commission, Zoning Board of Appeals or Village Board review, that have

a substantial traffic impact as determined by the Inter-Departmental Review Committee shall be accompanied by a deposit of \$1,000.00 to be used for traffic impact analysis services. If the Village's cost for such services exceeds the deposit, the applicant shall reimburse the additional costs incurred by the Village. Any such reimbursement shall be made prior to the final consideration of the development proposal by the Village Board or prior to the issuance of a building permit, whichever occurs first. If such traffic impact analysis services costs are less than the deposit, the Village shall return the difference to the applicant. The total cost incurred by the applicant for such services shall not exceed \$10,000.00.

(3) Overtime Inspection Fees

Inspections conducted before 7:30 a.m. or after 4:00 p.m. on weekdays, and anytime on weekends and holidays, when available, shall be billed at a rate of \$100.00 per hour per inspector, including no-shows, when available. Said inspection fee shall be in addition to any requisite fees referenced elsewhere within Section 150.141 or as set forth within Chapter 16 of this Code, whichever is greater, and shall be paid prior to issuance of any certificates of occupancy or approval of final inspections. In addition, any inspections conducted before 6:00 a.m. or after 5:00 p.m. on weekdays, and at any time on weekends and holidays, when available, shall be charged with a minimum of two hours charged to the permittee, including no-shows.

(4) Re-Inspection Fees. In the event that a building permit related inspection by the Village or its agent results in a failed inspection, either as a result of the construction activity not meeting code provisions, or the construction otherwise not being in compliance with the improved plans, the following additional fees shall be assessed:

- (a) First failed inspection – no additional fee.
- (b) Second or subsequent failed inspections - \$65.00 for a single-family residential project and \$80.00 for all other projects.

In the event that the permittee and/or the permittee's contractor does not have the project site ready for an inspection at the time and on the date the inspection was scheduled to occur, the additional fee set forth in subsection (b) above shall be assessed.

(L) Determination of Construction Cost

For purposes of this Chapter, the estimated cost of construction shall be based upon the value of the respective improvement and not the cost a given permittee incurs in the construction of the improvement. The permit applicant shall provide the Village with the estimated cost of construction as part of the permit submittal process. If the Village does not concur that the submitted estimated cost of construction properly reflects the estimated project cost, the Village shall determine the estimated project cost, based upon the latest edition of the R. W. Means Manual.

- (M) Government entities. Requirements relative to; bonds and letters of credit shall be waived in accordance with §14.02 of this Code.
