Subject: Joint Purchasing of Fuel

Staff is able to secure better fuel pricing by joint purchasing fuel through the DuPage County joint purchase fuel contract. Joint purchasing has proven to be a reliable way of supplying the Village with fuel at the lowest cost.

Since the cost of a load of fuel may exceed the Village's statutory purchase limit as specified in the purchasing manual (\$25,000) staff needs to establish approval from the board to continue to buy fuel using a joint purchase contract. These joint purchase contracts establish a fixed delivery fee and are renewed or re-bid annually. The specifications used in the preparation of the sealed bids are based on the OPIS (Oil Price Information Service) prices, which are the benchmark prices used by the world to buy and sell U.S. gasoline, diesel, ethanol, bio-diesel, LP-gas, jet fuel, crude, propane and kerosene.

The lowest bid price for joint fuel purchasing (DuPage County bid #19-011-DOT) was Gas Depot of Morton Grove, IL. The price for gasoline is the low rack average daily OPIS price plus (0.0090) per gallon for delivery. The price for diesel is the low rack average daily OPIS price plus (0.0145) per gallon for delivery. It is therefore the recommendation of staff that fuel be purchased from Gas Depot in accordance with the DuPage County joint purchase contract for the length of the contract starting April 1, 2021 and ending March 31, 2022.

I recommend the B.O.T. waive bid and award a contract to Gas Depot of Morton Grove, IL to supply gasoline and diesel fuel to the Village of Lombard as specified in the DuPage County joint purchase fuel contract. Please submit this item to the Village Board for their consideration at the April 1, 2021 meeting.
