Subject: Bid Waiver for Pavement Grinder Rental with Operator for FY 2008

Public Works requests a waiver of bids and award of a contract for a not to exceed amount of \$25,889.00 to K-5 Construction, Corp. for the Asphalt Grinding Services for the In-house Grind and Overlay Paving Program for FY2008. This year the Public Works Department budgeted for rental of a grinder plus operator for phase 1 of the program and for phase 2, rental of a grinder without operator and then have our trucking contractor move the machine from site to site. Phase 1 grinding was completed during the first week of June for \$13,692.00. The success with Phase 1 grinding, along with the prices we have received, have demonstrated that it is more cost effective to have the phase 2 grinding completed by K-5 Construction Corp. at a price of \$12,197.00. Public Works requests the Board of Trustees award a contract for the rental of the grinder with operator from K-5 Construction Corp. to accomplish the paving scheduled for this fiscal year. The Capital Improvements Project Street Maintenance budget includes \$26,000.00 for grinder rentals.

This item was not bid in accordance with the Illinois Public Act #85-1295.

Please place this on the August 9, 2007 agenda for consideration by the Village Board.
