SUBMISSION OF PROPOSAL

All bids must be delivered to the office of the Director of Public Works by the specified opening time of the bid. Bids arriving after the specified time will not be accepted. Mailed bids arriving after the specified time will not be accepted regardless of post marked time on the envelope.

All bids should be submitted in a sealed 9" x 12" or 10" x 13" envelope. A label marked BID DOCUMENT with the bidder's name, address, bid item name and bid opening location, room number, time and date, must be affixed to the envelope.

Any bidder who does not submit a proposal is requested to return bidding documents, stating the reason for failure to submit thereon, and requesting that the bidder's name be retained on our mailing list, if desired. Bidders not submitting proposals may otherwise be removed from our bid mailing list.

BID DEPOSIT

When required on the cover sheet, all bids shall be accompanied by a bid deposit in the amount specified. The bid deposits of all except the three (3) lowest responsive and responsible bidders on each contract will be returned within fourteen (14) calendar days after the opening of the bid. The bid deposit of the accepted bidder will be returned after acceptance by the Village of satisfactory performance bond where such bond is required or completion of contract where no performance bond is required. Execution of any contract by the Village is contingent upon the provision of the required Bond by the contractor. As evidence of capability to provide such security for performance, each bidder shall submit with the bid proposal either a letter executed by its surety company indicating the bidder's performance bonding capability, or a letter from a bank or savings and loan within the Chicago metropolitan area indicating its willingness and intent to provide a letter of credit for the bidder. Failure to make such an inspection shall not excuse the contractor from performance of the duties and obligations imposed under the terms of the contract. In the event of default and termination, the Village will procure, upon such terms and in such manner as the Director of Public Works may deem appropriate, supplies or services similar to those so terminated. The successful bidder shall be liable for any excess costs for such similar supplies or service unless acceptable evidence is submitted to the Director of Public Works that failure to perform the contract was due to cause beyond the control and without the fault or negligence of the successful bidder.
