VILLAGE OF LOMBARD

VILLAGE BOARD POLICY MEMORANDUM

Subject: Employee Reimbursement
Policies Associated with Use
of Village Vehicles

Section: 8.C.
Dept.: VMO
Date: December 6, 2012
Updated:

I. Purpose

To establish a policy outlining employee eligibility for using a Village vehicle to travel to and from work and if applicable, any associated employee reimbursement costs to the Village.

II. Rationale

Certain personnel find it necessary, due to the nature and scope of their employment, to have a Village vehicle available at all times. This policy provides a written procedure outlining the terms and conditions associated with the usage and the formula for determining any applicable employee reimbursement costs to the Village.

II. Procedures/Guidelines

- A. The Village Manager will determine if an employee is eligible to be provided a Village vehicle for their use.
- B. Employees with assigned vehicles that are deemed to be "mission critical" positions, as determined by the Village Manager, shall not be required to provide reimbursement back to the Village for commuting costs from their primary residence to work.
- C. Employees who are assigned a Village vehicle but the usage of the vehicle is determined by the Village Manager to not be "mission critical", shall provide reimbursement for their daily commuting costs. Reimbursement shall be made for miles traveled from beyond a four (4) mile radius of the corporate limits of the Village to their primary residence. Determination of the reimbursement shall be based upon the following formula:

$$((CMT-R)*D)*IRS$$

In which:

CMT = daily commuting miles traveled

R = daily commuting miles within Village 4 mile radius

D = days worked in a year in which commuting occurred

IRS = the established vehicle reimbursement rate, as set by the Internal Revenue Service, for the applicable period

- D. The reimbursement period in which the designated employee is required to pay the Village (e.g., monthly, biweekly, annually) will be determined by the Village Manager.
- E. Specific guidelines shall be adhered to when using a Village vehicle. Refer to Administrative Policy 2.C. entitled "24-hour Assignment of a Village Vehicle", Section IV.C.

III. Legislation/Documentation
None.
