SECTION 2: That Title 15, Chapter 153.236 through 153.244, of the Code of Lombard, Illinois is hereby amended to read in its entirety as follows:

153.236 SPONSOR SIGNAGE

It is unlawful to construct, erect, or maintain any Sponsor Signage, as defined in Section 153.602 without complying with the following provisions:

- A Area: No sponsor sign shall exceed thirty-two (32) square feet in sign area.
- B Location: Sponsor signage shall only be affixed to the following permanent structures: façade of a principal structure, wall of an accessory structure, fence, or permanent freestanding sign. Signs shall only be affixed to a single structure at all corners of the sign and shall not be erected in a manner in which the sign is suspended and/or extending the distance between two separate structures.
- C Time Limitations: Sponsor signage shall only be allowed on a property in the C/R District, as follows:
 - (1) Sponsor signage associated with a special event approved by the Village shall only be allowed to be affixed or erected on a property for the length of the special event permit application approved by the Village.
 - (2) Sponsor signage associated with all other events shall only be displayed during the period in which the sponsored event is occurring. Such signage must be immediately removed at the end of the sponsored event.

§153.237 TEMPORARY SIGNS

The provisions of this Chapter shall regulate all Temporary Signs, with the exception of Temporary Signs which are specifically described and regulated in other sections of this Code. (See Sections 153.205 & 153.206, entitled, "Signs Not Subject to Permit Fee" and "Signs Not Subject to Permit"). It is unlawful to construct, erect, or maintain any Temporary Signs without complying with the following provisions:

A Area: No temporary sign shall exceed thirty-two (32) square feet in sign area. The area of the temporary sign shall not be included in the total sign area when determining compliance with the maximum sign area limitations for permanent signs.

B Number: Not more than one temporary sign, as defined by this Chapter, shall be permitted per establishment on a parcel of property, except when a property abuts two or more streets, then one (1) sign shall be permitted for each street frontage.

C Location:

(1) Non-Residential Districts: Temporary signs shall only be affixed to the following permanent structures: façade of a principal structure, wall of an accessory structure, fence, permanent freestanding sign, or shopping center identification sign. Signs shall only be affixed to a single structure at all corners of the sign and shall not be erected in a manner in which the sign is suspended and/or extending the distance between two separate structures.

(2) Residential Districts: In addition to the regulations outlined in Section 153.235(C)(1) above, Temporary signs shall also be permitted to be affixed to the ground provided that the sign is securely erected.

D. Permit Limitations

(1) A permit must be obtained for all temporary signs. However, an existing permitted temporary sign can be removed and replaced with another temporary sign without obtaining an additional permit, provided that all of the following conditions are met:

- a. The permit has not expired.
- b. The new temporary sign is of the same material as the sign for which the permit was issued.
- c. The new temporary sign has the same dimensions as, or smaller dimensions than, the sign for which the permit was issued.
- d. The new temporary sign is place in the same location as the sign for which the permit was issued.

(2) Up to eight (8) temporary permits may be issued for any one business in any calendar year, provided that the total of all permits issued does not exceed one hundred twenty (120) days in any calendar year.

(3) A non-renewable permit for a period of up to sixty (60) days may be issued for a temporary sign in lieu of a permanent wall sign, provided that a permit for a future permanent wall sign has been submitted.

(4) The petitioner shall indicate on the permit application the start date, end date, and number of days for which the permit will be applicable. The temporary sign shall be removed within twenty-four (24) hours after the expiration of the permit.

(5) If the petitioner requesting the temporary sign is not the owner or a leasee of the property on which the sign will be located, then the petitioner shall submit a written letter of consent from the property owner allowing the sign to be placed on the property.

E. Insurance Requirements: Insurance requirements provided for in this Chapter shall apply to temporary signs unless the Director determines that by reason of the nature of the sign and the material of which it is instructed, that no insurance shall be required.

F. Permit Fees: Every application, before being granted a temporary sign permit under this chapter, shall be subject to the Administrative fee as is established in Section 150.141(A) of the Code of Ordinances.

§153.238 TRAFFIC CONTROL SIGNS

Traffic control devices are intended to direct and assist vehicle operators in the guidance and navigational tasks required to safely traverse private property. It is unlawful to construct, erect, or maintain any Traffic Control Signs without complying with the following provisions:

A. Limitations: Traffic control signs shall be used solely to convey information intended to safely and properly direct vehicle operators across private property. The information conveyed shall be limited to the regulation of traffic flow and the indication of parking restrictions. Traffic control signs shall not include advertising copy, a business logo, or any other information which does not convey information directly relevant to traffic flow or parking. Traffic signs shall not include the name of a business or a business address unless that name or address is critical to the traffic or parking information being provided. If a business name or address is provided on a traffic control sign, the lettering for that business name or address shall be no more than three inches (3") in height.

B. Size: No traffic control sign shall exceed ten feet (10') or seven (7) square feet in area. The area of the traffic control sign shall not be included in the total sign area when determining compliance with the maximum sign area limitations.

C. Design: Every traffic control sign, including the supports thereof, shall be securely built by a sign manufacturer. Traffic control signs shall be constructed of metal or an equivalent material as approved by the Community Development Director. Traffic control signs shall not be constructed of wood. Accessible parking signs shall follow the standards established by the Illinois Administrative Code. Traffic control signs which convey information that would typically be found on signs with the right-of-way (e.g. "stop," "yield," "one-way," etc.) shall follow the current standards of the Federal Highway Administration's Manual on Uniform Traffic Control Devices.

- D. Illumination: Traffic control signs shall not be illuminated.

§153.239 UNDER CANOPY SIGNS

It is unlawful to construct, erect, or maintain any Under Canopy Signs without complying with the following provisions:

(A) The total sign area shall not exceed six (6) square feet, and the width of any sign shall not exceed three-fourths of the horizontal canopy projection.

(B) No under canopy sign shall hang more than eighteen (18) inches from any canopy or other such structure.

(C) There shall be a minimum of eight (8) feet clearance between the ground and any such sign.

(D) The permitted wall sign area and/or freestanding sign area shall be reduced for each square foot, or portion thereof, of sign area devoted to under canopy signs.

(E) Only one sign, located under a canopy, shall be permitted for each business in a building.

(F) No sign may be displayed above the first or street level floor of the building.

§153.240 VALANCE SIGN

It is unlawful to construct, erect, or maintain any Valance Sign without complying with the following provisions:

(A) Size: Copy height shall not exceed ten (10) inches.

(B) Location: Copy shall be placed only in the valance area below the front face and side panels of the awning.

(C) No sign may be displayed above the first or street level floor of the building.

§153.241 VALET PARKING SIGNS

Valet Parking signs are signs that identify the availability of valet parking services as defined in Section 127.02 of this Code. Valet parking signs are permitted to be placed on private property or within the public right-of-way. It is unlawful to construct, erect, or maintain any valet parking signs without complying with the following provisions:

A. Location: a valet parking sign, whether on public or private property, must be placed within the designated loading zone as provided on the valet parking plan, and shall not obstruct vehicular traffic. A valet parking sign located on the public right-of-way shall not be located on the street pavement and in no case shall it be located more than four (4) feet from the curb.

B. Size: the entire assembly shall be no larger than thirty inches by thirty-six inches (30" x 36") and the actual sign surface area shall not exceed five (5) square feet in size.

C. Design: valet parking signs shall be professionally made and maintained in good condition, shall be properly weighted so as to not create a wind-blown hazard and shall not have any nails, tacks, wires, or sharp metal edges protruding therefrom.

D. Display: valet parking signs shall be limited to the display of only the name of the business which is offering the service, the valet parking operator, the rate and the words "valet parking".

E. Illumination: valet parking signs shall not be illuminated.

F. Number: only one valet parking sign shall be allowed per place of business.

G. Time Restrictions: the valet parking sign shall only be displayed during hours when valet parking services are offered.

§153.242 WALL SIGNS

It is unlawful to construct, erect, locate or maintain any wall sign for which a permit is required without complying with the following provisions:

(A) Design: Every affixed wall sign, including the frames, braces and supports thereof, shall be securely built and shall be designed by a structural engineer, registered architect or as required by the Director.

(B) Location Limitation on Placement: No wall sign shall cover wholly or partially any wall opening, nor project beyond the ends of the wall to which it is affixed. No sign shall project beyond the top of the building except where the structure is so designed so as to not permit the attachment of a wall sign, then a sign will be permitted to project above the surface of the building. The projection shall be kept to a minimum as required by the Director.

(C) Projection Above Sidewalk: Wall signs must be affixed flat against the building wall. Any projection will be limited to encasing illumination or depth of lettering. At no time shall a wall sign be permitted to extend more than twelve (12) inches beyond the building line. The sign shall not be affixed to a wall at a height of less than eight (8) feet above the sidewalk or ground.

(D) Construction Supports Required: A wall sign shall be safely and securely affixed to the building wall to the satisfaction of the Director.

(E) Placement Location on Building: Wall signs may be located either on the front of the building abutting a street or on either side wall perpendicular to the street frontage.

(F) Mixed signs prohibited: No wall sign may be displayed in conjunction with an awning, canopy, projecting, or window sign.

§153.243 WINDOW SIGNS

It is unlawful to construct, erect, or maintain any Window Signs without complying with the following provisions:

(A) As defined in this Ordinance, there shall be no more than one window sign per window.

(B) The total area of the window sign shall not exceed twenty (20) per cent of the surface area of each window. In the alternative, the occupant may have one window sign, the total area of which shall not exceed twenty (20) per cent of the total surface area of all display windows, in each street exposure.

§153.244 INTERPRETATION OF SIGN TYPES

The Director may determine compliance for signs which, though not contained by name in a permitted sign list for a zoning district, are deemed to be similar in nature and clearly compatible with the listed signs. All non-listed signs which are approved by the Director shall be added to the permitted sign list by ordinance at the time of periodic updating and revision.

SECTION 3: That Title 15, Chapter 153.500 et. seq., of the Code of Lombard, Illinois is hereby amended to read in its entirety as follows:

SIGNS LOCATED IN CONSERVATION/RECREATION DISTRICTS

§153.501 CONSERVATION/RECREATION DISTRICT REQUIREMENTS

(A) Purpose Statement

The C/R Conservation/Recreation District is intended to provide for public parks, forest preserves, wildlife reservations and ecological sanctuaries and other open-space uses or resources to serve the needs of the citizens of the Village of Lombard. (13) Window Signs, in accordance with the provisions set forth in Section 153.243.

***SIGNS LOCATED IN
BUSINESS DISTRICTS***

§153.504 B1 & B2 NEIGHBORHOOD SHOPPING DISTRICT REQUIREMENTS

(A) Purpose Statement

The neighborhood shopping districts are intended to provide convenience shopping for persons residing in adjacent residential areas. The Neighborhood Shopping District sign requirements are intended to provide for the need of business establishments and enterprises for identification, while recognizing the proximity of commercial uses in the B1 and B2 Districts to sensitive residential uses in adjacent districts, and the need to protect such residential uses from potential adverse visual impacts.

(B) Permitted Signs

All signs located in the B1 and B2 Neighborhood Shopping Districts shall conform to the specific requirements set forth in this Ordinance. In any B1 or B2 Neighborhood Shopping Districts no sign shall be permitted except the following named signs:

(5) Freestanding Signs, in accordance with the provisions set forth in Section 153.216. In addition, no freestanding sign shall be erected or maintained within the B1 or B2 Neighborhood Shopping District unless it also meets all the following requirements:

(a) Parking: No business establishment shall display a freestanding sign unless the establishment is directly accessible by car, and provides a minimum of four (4) parking spaces on the premises where such freestanding sign is displayed.

(b) Area: No freestanding sign shall exceed thirty (30) square feet in sign surface area.

(c) Height: No freestanding sign shall exceed fifteen (15) feet in height. In all cases height shall be measured from grade at the edge of the right-of-way to the top of the sign.

(d) Number: No more than one freestanding sign shall be maintained on any one parcel of property.

(e) Distance Between Signs: All freestanding signs shall be located at least one-hundred (100) feet apart; provided, however, that if such freestanding signs comply with all other provisions except the requisite distance between signs, and it is not reasonable to so comply with the distance between signs requirement, such freestanding signs shall be allowed to be maintained.

(f) Setback: The leading edge of freestanding signs shall be set back a minimum of five (5) feet from the street right-of-way.

(g) Curbing: Any freestanding sign within three (3) feet of a driveway, parking area, or maneuvering area shall be completely surrounded by a curbing that is not less than three (3) feet from the outermost perimeter of the sign, and this area will be landscaped as approved by the Director.

(6) Informational Signs, in accordance with the provisions set forth in Section 153.218.

(7) Marquees, in accordance with the provisions set forth in Section 153.220.

(8) Motor Fuel Rate Sign, in accordance with the provisions set forth in Section 153.223.

(9) Projecting Signs, in accordance with the provisions set forth in Section 153.228. No projecting sign shall be erected or maintained in any B1 or B2 District unless it also meets all of the following requirements:

(a) Mixed signs prohibited: No projecting sign may be displayed in conjunction with a wall, or awning or canopy sign.

(b) Area: The total sign surface area of all projecting signs on any single parcel of property shall not exceed one-half time the lineal front footage of the property.

(10) Real Estate Signs, in accordance with the provisions set forth in Section 153.229.

(11) Sandwich Board Signs, in accordance with the provisions set forth in Section 153.234.

(12) Temporary signs, in accordance with the provisions set forth in Section 153.237.

(13) Under Canopy signs, in accordance with the provisions set forth in Section 153.239.

(14) Valance Signs, in accordance with the provisions set forth in Section 153.240.

(15) Valet parking signs, in accordance with the provisions set forth in Section 153.241.

(16) Wall Signs, in accordance with the provisions of Section 153.242. In addition, no wall sign shall be erected or maintained in any B1 or B2 District unless it also meets all of the following requirements:

(a) Area: The total sign area of all signs on any single business shall not exceed one time the lineal front footage of the property excepting that each legitimate business shall be entitled to a minimum of twenty-five (25) square feet of sign surface area. The total sign surface area of any single wall sign shall not exceed one-hundred (100) square feet.

(b) Number: No more than one wall sign per street front exposure shall be maintained on any one business in any B1 or B2 District.

(c) Mixed signs prohibited: No awning or canopy sign may be displayed in conjunction with a wall, or projecting sign.

(17) Window signs, in accordance with the provisions set forth in Section 153.243.

§153.505 B3&B4 COMMUNITY SHOPPING DISTRICT REQUIREMENTS

(A) Purpose Statement

The B3 & B4 Community and Corridor Shopping Districts are designed to provide for the needs of a much larger consumer population than is served by the B1 or B2 Districts; thus a wider range of uses and structure sizes is permitted for both daily and occasional shopping. These districts are generally located astride regional and major arterial roadways.

The intent of the B3 & B4 Community and Corridor Shopping District sign regulations is to provide for the need of businesses and enterprises located in the district for identification by passing vehicular traffic, while protecting the vehicular traffic for the adverse affects of visual distraction, and enhancing the aesthetics of the district by preventing visual clutter. Because the traffic on the regional and major arterial roadways tends to move at a higher rate and volume than other traffic in the village, the size and scale of signage within the district is greater than that permitted in other districts.

(B) Permitted Signs

All signs located in the B3 & B4 Community and Corridor Shopping Districts shall conform to the specific requirements set forth in this Ordinance. In any B3 & B4 Community and Corridor Shopping Districts no sign shall be permitted except the following named signs:

(1) Signs not subject to permit fee in accordance with provisions set forth in Section 153.205.

(2) Signs not subject to permit in accordance with provisions set forth in Section 153.206, except a business flag may only be flown in conjunction with the flag of the United States of America.

(3) Automatic Changeable Copy Signs, in accordance with the provisions set forth in Section 153.210.

(4) Awnings and canopies, in accordance with the provisions set forth in Section 153.211. In addition, no awning or canopy sign shall be erected or maintained in any B3, or B4 District unless it also meets all of the following requirements:

(a) Area:

1) The total sign surface area of all awning or canopy signs on any single parcel of property shall not exceed one times the lineal front footage of the property, excepting that each business shall be entitled to a minimum of twenty-five (25) square feet of sign surface area. The total sign surface area of any single awning or canopy sign shall not exceed one-hundred (100) square feet.

2) If the awning or canopy sign is to be back a minimum of one hundred twenty (120) feet from the property line which the sign shall face, then the total sign surface area of all awning, canopy or wall signs on the single parcel of property shall not exceed two times the lineal front footage of the property. The total sign surface area of a single awning or canopy sign shall not exceed two-hundred (200) square feet.

3) If the awning or canopy sign is to be set back a minimum of two-hundred forty (240) feet from the property line which the sign shall face, then the total sign surface area of all awning, canopy or wall signs on the single parcel of property shall not exceed two times the lineal front footage of the property. However, the total sign surface area of a single awning or canopy sign shall not exceed fifty (50%) percent of the permitted signage.

(5) Development Signs, in accordance with provisions set forth in Section 153.215.

(6) Freestanding Signs, in accordance with the provisions set forth in Section 153.216. No freestanding sign shall be erected or maintained within any B3 & B4 Community and Corridor Shopping Districts unless it also meets all of the following requirements:

§153.506 B5 CENTRAL BUSINESS DISTRICT REQUIREMENTS

(A) Purpose Statement

The B5 Central Business District constitutes the "downtown" core area of the Village of Lombard. It is intended to accommodate all retail, service and specialty shops and necessary civic services characteristic of the traditional central area.

The intent of the B5 Central Business District sign regulations is to provide for the need of businesses and enterprises located in the district for identification, while protecting the vehicular traffic from the adverse affects of visual distraction, and enhancing the aesthetics of the district by preventing visual clutter. Within the Central Business District structures and signage are in close proximity to the roadway, vehicular traffic tends to move at a slower rate and is subject to greater signalization than traffic in other business districts in the Village, and it is the goal of the village to present an aesthetically pleasing streetscape to the pedestrian. Therefore, the size and scale of signage within the district is more restrictive than that permitted in other districts.

(B) Permitted Signs

All signs located in the B5 Central Business District shall conform to the specific requirements set forth in this Ordinance. In any B5 Central Business District no sign shall be permitted except the following named signs:

(1) Signs not subject to permit fee in accordance with provisions set forth in Section 153.205.

(2) Signs not subject to permit in accordance with provisions set forth in Section 153.206: except, however, a business flag may only be flown in conjunction with the flag of the United States of America.

(3) Awnings and canopies, in accordance with the provisions set forth in Section 153.211. No awning or canopy sign shall be erected or maintained in any B5 Central Business District unless it also meets all of the following requirements:

(a) Mixed signs prohibited: No awning or canopy sign may be displayed in conjunction with a wall, or projecting sign.

(b) Floor: No awning or canopy sign may be displayed above the first or street level floor of the building.

(c) Area: The total sign surface area of all awning or canopy signs on any single parcel of property shall not exceed one (1) times the lineal front footage of the property, excepting that each business shall be entitled to a minimum of twenty-five (25) square feet of sign surface area. The total sign surface area of any single awning or canopy sign shall not exceed one-hundred (100) square feet.

(4) Building Directory Sign, in accordance with the provisions set forth in Section 153.212.

(5) Development Signs, in accordance with Section 153.215.

(6) Freestanding Signs, in accordance with the provisions set forth in Section 153.216. In addition, no freestanding sign shall be erected or maintained within the B5 Central Business District unless it meets all the following requirements:

(a) Display: No business establishment shall display a freestanding sign unless the establishment is directly accessible by car, and provides a minimum of four (4) parking spaces on the premises where such freestanding sign is displayed.

(b) Area: No freestanding sign shall exceed twenty (20) square feet in sign surface area.

(c) Height: No freestanding sign shall exceed six (6) feet in height. In all cases height shall be measured from grade at the edge of the right-of-way to the top of the sign.

(d) Number: No more than one freestanding sign shall be maintained on any one parcel of property.

(e) Distance Between Signs: All freestanding signs shall be located at least one-hundred (100) feet apart; provided, however, that if such freestanding signs comply with all other provisions except the requisite distance between signs, and it is not reasonable to so comply with the distance between signs requirement, such freestanding signs shall be allowed to be maintained.

(f) Curbing: Any freestanding sign within three (3) feet of a driveway, parking area, or maneuvering area shall be completely surrounded by a curbing that is not less than three (3) feet from the outermost perimeter of the sign, and this area will be landscaped as approved by the Director.

(7) Informational Signs, in accordance with the provisions set forth in Section 153.218.

(8) Marquees, in accordance with the provisions set forth in Section 153.220.

(9) Motor Fuel Rate Sign, in accordance with the provisions set forth in Section 153.223.

(10) Projecting Signs, in accordance with the provisions set forth in Section 153.228. No projecting sign shall be erected or maintained in the B5 District unless it also meets all of the following requirements:

(a) Mixed signs prohibited: No projecting sign may be displayed in conjunction with a wall, or awning or canopy sign.

(b) Area: The total sign surface area of all projecting signs on any single parcel of property shall not exceed twenty (20) square feet.

(11) Real Estate Signs, in accordance with the provisions set forth in Section 153.229.

(12) Rear Service Door Sign, in accordance with the provisions set forth in Section 153.230.

(13) Sandwich Board Signs, in accordance with the provisions set forth in Section 153.234.

(14) Temporary signs, in accordance with the provisions set forth in Section 153.237.

(15) Under Canopy signs, in accordance with the provisions set forth in Section 153.239.

(16) Valance Signs, in accordance with the provisions set forth in Section 153.240.

(17) Valet parking signs, in accordance with the provisions set forth in Section 153.241.

(18) Wall Signs, in accordance with the provisions of Section 153.242. In addition, no wall sign shall be erected or maintained in any B5 Central Business District unless it also meets all of the following requirements:

(a) Mixed signs prohibited: No wall sign may be displayed in conjunction with a projecting, awning or canopy sign.

(b) Area: The total sign area of all wall signs on any single parcel of property, shall not exceed one time the lineal front footage of the property excepting that each legitimate business shall be entitled to a minimum of twenty-five (25) square feet of sign surface area. The total sign surface area of any single wall sign shall not exceed fifty (50) square feet.

(c) Number: No more than one wall sign per street front exposure shall be maintained on any one business in any B5 District.

(d) Floor of Occupancy: No business establishment shall display a wall sign unless that establishment occupies space on the first (street level) floor of the building.

(19) Window signs, in accordance with the provisions set forth in Section 153.243.

***SIGNS LOCATED IN
INDUSTRIAL DISTRICTS***

§153.507 I INDUSTRIAL DISTRICT REQUIREMENT

(A) Purpose Statement

The I Limited Industrial District is intended to provide an environment for industrial activities that do not create appreciable nuisance or hazards, or that require a pleasant - hazard - and - nuisance - free environment.

The intent of the I Limited Industrial District sign restrictions is to provide for the need of industrial uses for locational identification while protecting the vehicular traffic from the adverse affects of visual distraction, and enhancing the aesthetics of the district by preventing visual clutter. Because the traffic on Limited Industrial District roadways tends to move at a slower rate and the limitations on retail uses reducing the need for commercial advertising, the size and scale of signage within the district is more restrictive than that permitted in other districts.

(B) Permitted Signs

All signs located in an I Limited Industrial District shall conform to the specific requirements set forth in this Ordinance. In an I Limited Industrial District, no sign shall be permitted except the following named signs:

(1) Signs not subject to permit fee in accordance with provisions set forth in Section 153.205; except, however, a business flag may only be flown in conjunction with the flag of the United States of America.

(2) Signs not subject to permit in accordance with provisions set forth in Section 153.206.

(3) Awnings and canopies, in accordance with the provisions set forth in Section 153.211.

(4) Development Signs, in accordance with the provisions set forth in Section 153.215.

(5) Freestanding signs, in accordance with the provisions set forth in Section 153.216. In addition, no freestanding sign shall be erected or maintained within any I District unless it also meets all of the following requirements:

(a) Parking: No business establishment shall display a freestanding sign unless the establishment is directly accessible by car and provides a minimum of four (4) spaces on the premises where such freestanding sign is displayed.

(b) Area: No freestanding sign shall exceed thirty (30) square feet per side in sign surface area.

(c) Height: No freestanding sign shall exceed six (6) feet in height. In all cases height shall be measured from grade at the edge of the right-of-way to the top of the sign.

(d) Number: No more than one (1) freestanding sign shall be maintained on any one parcel of property, except where a parcel abuts two or more streets, and then one sign per street frontage is permitted.

(e) The sign shall contain only the name or names and hours of operation for each business within the building.

(f) Setback: The sign shall set back at least ten (10) feet from the property line.

(6) Informational signs, in accordance with the provisions set forth in Section 153.218.

(7) Off Premises signs, in accordance with the provisions set forth in Section 153.226.

(8) Projecting Signs, in accordance with the provisions set forth in Section 153.228. No projecting sign shall be erected or maintained in any B1 or B2 District unless it also meets all of the following requirements:

(a) Mixed signs prohibited: No projecting sign may be displayed in conjunction with a wall, awning or canopy sign.

(b) Area: The total sign surface area of all projecting signs on any single parcel of property shall not exceed one-half time the lineal front footage of the property.

(9) Real Estate Signs, in accordance with the provisions set forth in Section 153.229.

(10) Temporary signs, in accordance with the provisions set forth in Section 153.237.

(11) Wall signs, in accordance with the provisions set forth in Section 153.242. In addition, no wall sign shall be erected or maintained in any I District unless it also meets all of the following requirements:

(a) Area: The total sign surface area of all wall signs on any single parcel of property shall not exceed one and one-half time the lineal front footage of the property. The total sign surface area of any single wall sign shall not exceed one-hundred twenty (120) square feet.

(b) Number: No more than one wall sign per street frontage exposure shall be maintained on any one parcel of property in any I District.

§153.508 B5A DOWNTOWN PERIMETER DISTRICT REQUIREMENTS

(A) Purpose Statement

The B5A Downtown Perimeter District is intended to be a transition between the downtown and other commercial areas that accomodates all retail, service, and speciality shops necessary civic services characteristic of the traditional central area in a pedestrian environment while also recognizing compatible automotive land uses.

The intent of the B5A District sign regulations is to provide for the need of businesses and enterprises located in the district for identification, while protecting the vehicular traffic from the adverse affects of visual distraction, and enhancing the aesthetics of the district by preventing visual clutter. Within the B5A District structures and signage are typically in close proximity to the roadway, vehicular traffic tends to move at a slower rate and is subject to greater signalization than traffic in other business districts in the Village, and it is the goal of the village to present an aesthetically pleasing streetscape to the pedestrian. Therefore, the size and scale of signage within the district is more restrictive than that permitted in other districts. However, certain buildings in the B5A District are not in close proximity to the roadway. In order to ensure visibility, these buildings are permitted a greater deal of flexibility with regard to freestanding signs.

(B) Permitted Signs

All signs located in the B5A District shall conform to the specific requirements set forth in this Ordinance. In any B5A District no sign shall be permitted except the following named signs:

(1) Signs not subject to permit fee in accordance with provisions set forth in Section 153.206.

(2) Signs not subject to permit in accordance with provisions set forth in Section 153.206: except, however, a business flag may only be flown in conjunction with the flag of the United States of America.

(3) Awnings and canopies, in accordance with the provisions set forth in Section 153.211. No awning or canopy sign shall be erected or maintained in any B5A District unless it also meets all of the following requirements:

(a) Mixed signs prohibited: No awning or canopy sign may be displayed in conjunction with a wall, or projecting sign.

(b) Floor: No awning or canopy sign may be displayed above the first or street level floor of the building.

(c) Area: The total sign surface area of all awning or canopy signs on any single parcel of property shall not exceed one (1) times the lineal front footage of the property, excepting that each business shall be entitled to a minimum of twenty-five (25) square feet of sign surface area. The total sign surface area of any single awning or canopy sign shall not exceed one-hundred (100) square feet.

(4) Building Directory Sign, in accordance with the provisions set forth in Section 153.212.

(5) Development Signs, in accordance with provision set forth in Section 153.215.

(6) Freestanding Signs, in accordance with the provisions set forth in Section 153.216. In addition, no freestanding sign shall be erected or maintained within the B5A District unless it meets all of the following requirements.

(a) Display: No business establishment shall display a freestanding sign unless the establishment is directly accessible by car, and provides a minimum of four (4) parking spaces on the premises where such freestanding sign is displayed.

(b) Area:

- 1) No freestanding sign shall exceed twenty (20) square feet in sign surface area unless specifically regulated below.
- 2) If the principal structure on the zoning lot is set back a minimum of thirty (30) feet from the property line, a freestanding sign on that lot shall not exceed thirty (30) square feet in sign surface area.

(c) Heights:

- 1) The height of a freestanding sign shall not exceed six (6) feet unless specifically regulated below. In all cases height shall be measured from grade at the edge of the right-of-way to the top of the sign.
- 2) If the principal structure on the zoning lot is set back a minimum of thirty (30) feet from the property line, the height of a freestanding sign on that lot shall not exceed fifteen (15) feet. In all cases height shall be measured from grade at the edge of the right-of-way to the top of the sign.

(d) Number: No more than one freestanding sign shall be maintained on any one parcel of property.

(e) Distance Between Signs: All freestanding signs shall be located at least one hundred (100) feet apart; provided, however, that if such freestanding signs comply with all other provisions except the requisite distance between signs, and it is not reasonable to so comply with the distance between signs requirement, such freestanding signs shall be allowed to be maintained.

(f) Curbing: Any freestanding sign within three (3) feet of a driveway, parking area, or maneuvering area shall be completely surrounded by a curbing that is not less than three (3) feet from the outermost perimeter .

(7) Informational Signs, in accordance with the provisions set forth in Section 153.218.
