SUBJECT: Award Of Bid--2005 ALS Ambulance File 040365

Included in the FYE 2004/2005 budget is the replacement for one ALS ambulance. Due for replacement is unit #FM 064 (1997 Ford ALS Ambulance). Results of the bidding are as follows:

Bidder	Total Bid	Less Trade	Net Bid
North Central Ambulance Lester Prairie, MN.	\$130,972	\$13,000	\$117,973
Midwest Emergency Vehicle Sales Kankakee, Il.	\$109,310	\$8,000	\$101,310

In discussing this bid with Battalion Chief Mike Kalina, we both agreed we purchase from the lowest responsible bidder.

Therefore, I recommend the Board of Trustees award a contract to, Midwest Emergency Vehicle Sales of Kankakee, IL in the amount of \$101,310.00 and authorize the trade-in of our unit # FM 64. Budgeted amount for this purchase is \$100,000.00.

This will be the fifth Ambulance that the Village has purchased from this company and we are very pleased with quality and dependability of the product. This item was bid in accordance with Public Act 85-1295. If you have any questions or require any additional information, please call me.

Attached it a request for Board action and an ordinance for sale of surplus equipment.
