**SUBJECT: Text Amendments to Section 150.317 et. Seq. of the Village Code:
Swimming Pool Code**

SUBMITTED BY: William J. Heniff, AICP, Director of Community Development *WB*

BACKGROUND/POLICY IMPLICATIONS:

The Board of Building Appeals (BOBA), members considered the amendments to Section 150.317 pertaining to the swimming pool code provisions. The first edit removes all local references and code provisions that were previously a part of our swimming pool code provisions and replaces it with the International Swimming Pool and Spa Code (the "Pool Code") in its entirety. In review of the Pool Code, in cases which an automatic pool cover is provided, a fence barrier requirement is not required. Staff finds that this still presents a substantial safety concern as it suggests that the pool cover itself would be in place at all times when people are otherwise not present.

Please place this item on the December 15, 2022 Village Board agenda for consideration and approval, with a BOBA recommendation of approval of the proposed amendments.
