**TO:** PRESIDENT AND BOARD OF TRUSTEES

**FROM:** Scott Niehaus, Village Manager

**DATE:** March 26, 2024 (COW) (B of T) **Date:** April 18, 2024

**TITLE:** Recommendations from the Public Safety and Transportation Committee

**SUBMITTED BY:** Carl Goldsmith, Director of Public Works

**BACKGROUND/POLICY IMPLICATIONS:**

The Public Works Department recommends amending the Village Traffic Code to eliminate 2 parking spaces on the south side of Maple Street, to the immediate west of Lincoln Street. This will increase safety by providing better the sight distance for drivers on northbound Lincoln Street.

The Transportation and Safety Committee reviewed this issue in their April 3, 2024 meeting.

 SUBJECT: **Amending Parking Restrictions on Maple Street, west of Lincoln Street**

### **Request**

Staff recommends that the Village amend Schedule VII of the Traffic Code to restrict parking on Maple Street from Lincoln Street to 155 feet west of the Lincoln Street west curb line.

### **Background**

Staff received a request from a staff member at St. John's Lutheran Church to investigate the sight distance of exiting vehicles on Lincoln Street at Maple Street, especially in relation to their school during pick-up and drop-off times.

In the section of Maple Street from Finley to Park Avenue, there is currently permitted parking on the south side of the street from:

- 445 feet east of Finley Road, to
- 65 feet west of Park Avenue

Outside of Elizabeth Street, which is a 4-leg intersection, all other Maple Street intersections are 3-way T-Intersections with stop controlled on the northbound approach. Each of the roadways are two-way traffic, except for Lincoln Street, which is one-way northbound.

### **Analysis**

After approximating the sight distance triangles, which can be found in Exhibit A, it was found that the 2 parking spaces immediately to the west of Lincoln Street obstruct the sight lines of eastbound vehicles for drivers on Lincoln Street. It was also noted that those parking spaces are most utilized during school pick-up and drop-off as they are near the exit of the building.

By removing the 2 parking spaces immediately west of Lincoln Street, additional sight distance will be provided for vehicles on Lincoln Street during school pick-up & drop-off. To achieve this, Schedule VII of the Lombard Village Traffic Code would need to be amended to prohibit parking on the south side of Maple Street, 155 feet west of the west curb line of Lincoln Street to Lincoln Street.

**Recommendation**

The staff recommends an ordinance amending Article XIII, SCHEDULE VII of the Lombard Village Traffic Code to add the following parking prohibition on Maple Street:

**SCHEDULE VII - PARKING PROHIBITED AT ALL TIMES ON CERTAIN STREETS**

In accordance with Section 10-13-6 and when signs are erected giving notice thereof, no person shall, at any time, park a vehicle upon any of the following streets or parts of streets:

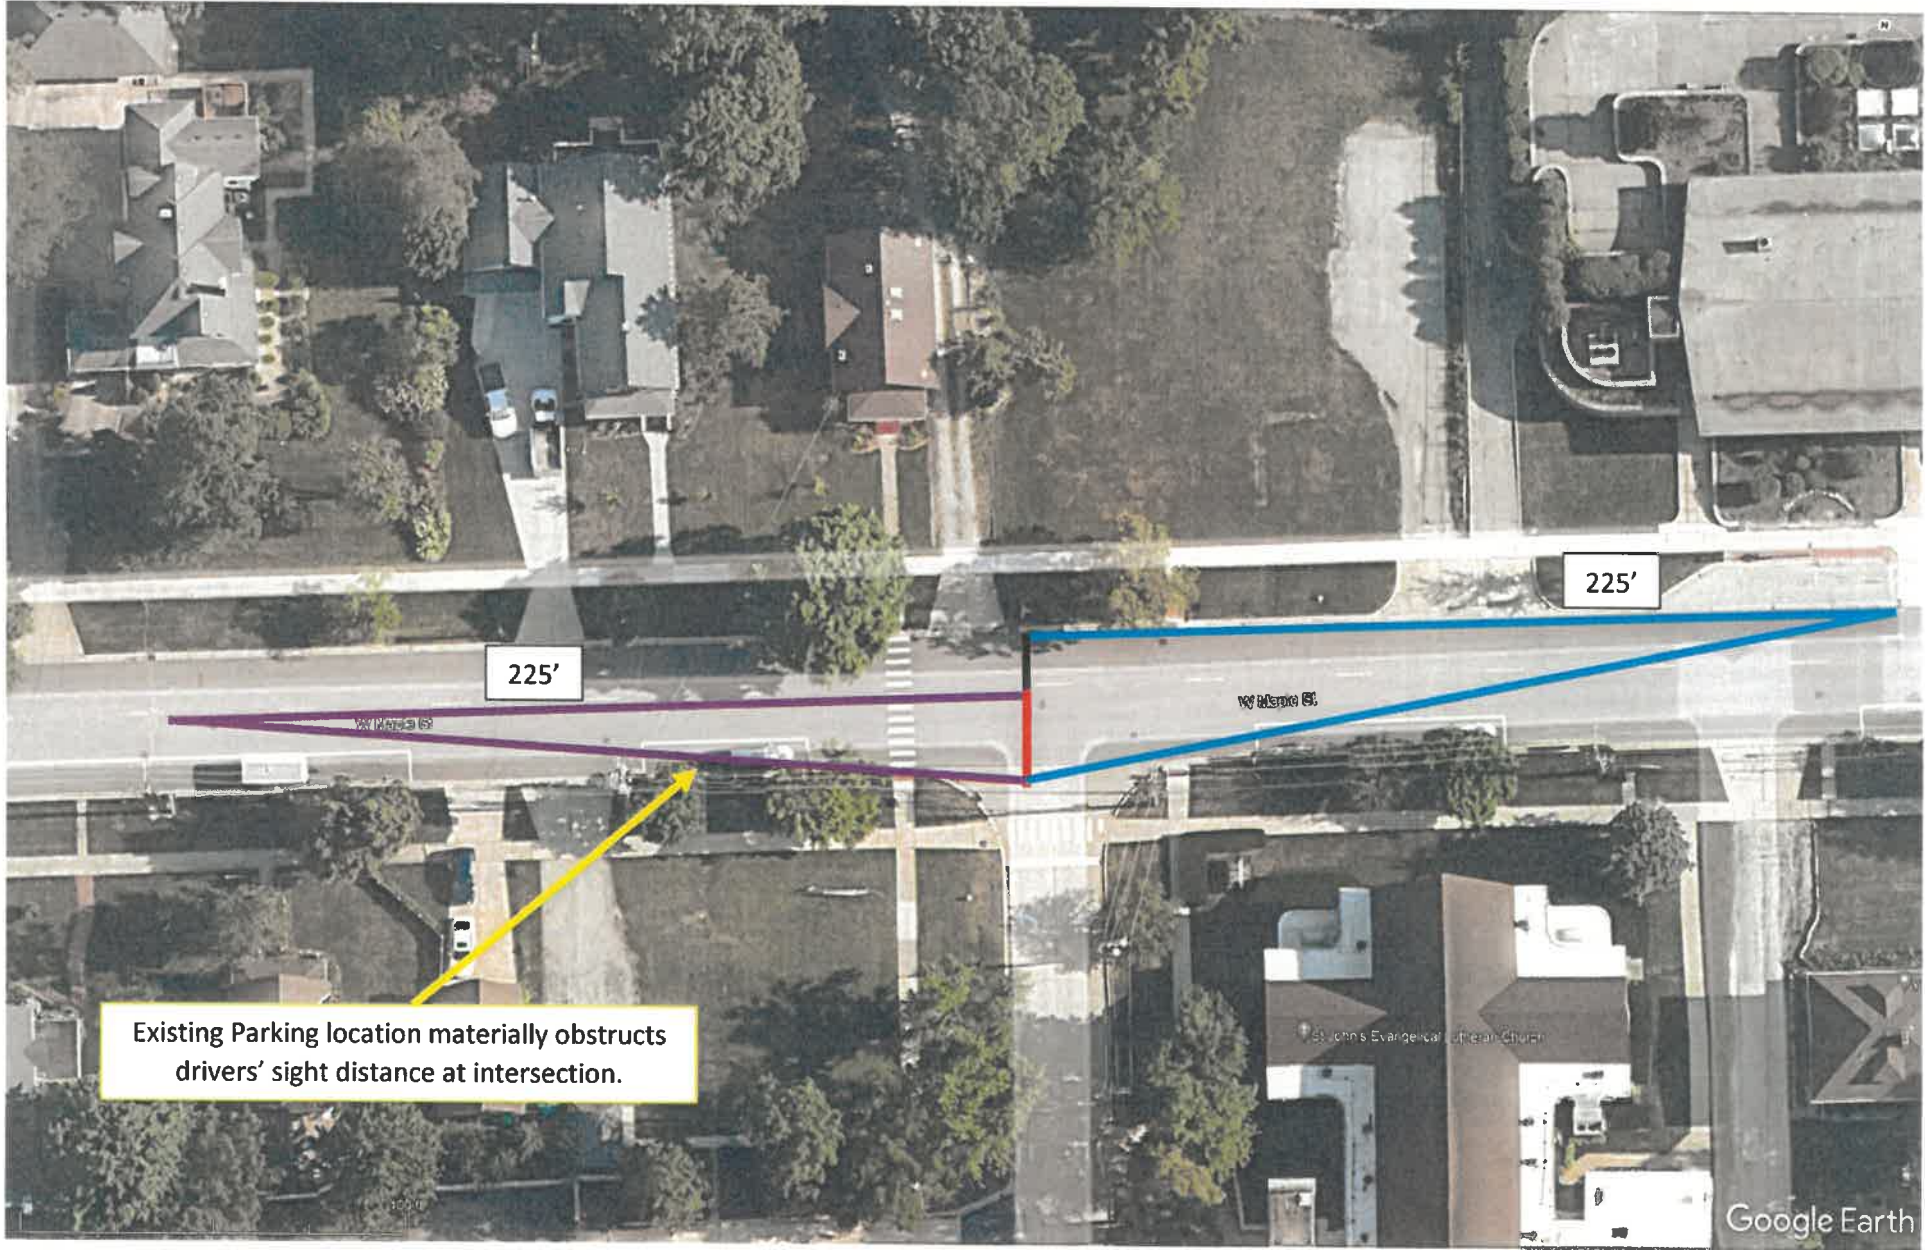

<b>Name of Street</b>	<b>From</b>	<b>To</b>
...	...	...
Maple St., south side	155 feet west of the	Lincoln St.
	west curb line of	
	Lincoln St.
