

MEMORANDUM

TO: William T. Lichter, Village Manager

FROM: David P. Gorman, PE, Development Engineer

DATE: July 28, 2005

**SUBJECT: ACCEPTANCE OF PUBLIC WATER MAIN AND FIRE HYDRANTS
AT 101 W. 22ND STREET IN LOMBARD, ILLINOIS**

The Private Engineering Services Division of the Community Development Department recommends that the Board of Trustees accept a public water main and fire hydrants that were constructed for a new office building at 101 W. 22nd Street. Attached are location and utility maps. Please present the attached resolution to the Board of Trustees at their August 18th meeting.

The stated improvements are acceptable since they were installed substantially to plan and have passed all required tests. The Private Engineering Services Division has approved the project record drawings. The on-site sanitary sewer and storm sewer will remain the responsibility of the property owner.

The Department has received a letter of credit for the required two-year maintenance period.
