TITLE: A Motion Authorizing Payment from Infrastructure Maintenance Fee Settlement Proceeds to the Lombard Public Facilities Corporation for Work Performed to Place DuComm Radio Equipment on the Roof of the Westin Lombard Yorktown Center

SUBMITTED BY: Timothy Sexton, Director of Finance

BACKGROUND/POLICY IMPLICATIONS:

As part of the settlement of the Infrastructure Maintenance Fee lawsuit against Illinois municipalities, funds were set aside for upgrades in 911 communicaitons. The Village of Lombard submitted a joint application for funds with Bartlett and Hanover Park to locate DuComm radio equipment on the roof of the Westin Lombard Yorktown Center. This application was approved by the courts for a total of \$280,095.32, and these funds have since been received. These improvements were originally paid for by the Lombard Public Facilities Corporation as part of the construction of the building. Therefore, staff is requesting a motion to authorize payment from the IMF settlement proceeds to the Lombard Public Facilities Corporation in the amount of \$280,095.32 for reimbursement of this work.
