MEMORANDUM

To: Scott Niehaus, Village Manager

Through: Carl Goldsmith, Director of Public Works

From: Brian Jack, Utilities Superintendent *Bj*

Date: December 4, 2020

Subject: **Coarse Aggregate Material Contract Extension – Waiver of Bids**

Background

The Public Works Department uses Coarse Aggregate Material for trench backfill and pavement restorations throughout the Village after excavations and street repairs. The Village solicited bids for such material and delivery to the Surges Center and Public Works Yard located at 282 E Central Ave on an add-needed basis.

On December 20, 2019 bids were opened for the purchase of Coarse Aggregate Materials with bid specifications sent to six vendors. Two bids were submitted and all met Village specifications. The budgeted amount for FY 2019 is \$48,000.00 with funding as follows: Street Maintenance and Reconstruction (\$4,500), Water & Sewer Capital Reserve Fund Water Maintenance & Improvements RM PROG 32 (\$33,000) and Water & Sewer Capital Reserve Fund Sewer Maintenance & Improvements RM PROG 10 (\$10,000).

The Village of Lombard's current Coarse Aggregate Material Contract is set to expire December 31, 2020. We have valued the level of service and commitment from Vulcan Materials Co. has provided the Village of Lombard over the past year.

The Village exercised the option of extending the contract for an additional year for FY 2021 with a minimal increase above the original contract terms and conditions as specified in contract PWO-2002. Vulcan Materials Co. has requested a \$0.10 per ton increase per aggregate for the contract year of January 1, 2021 through December 31, 2021. This is an extremely negligible increase as shown in the chart below and is still well under the next highest bidder from previous years.

	2020 CA-6	2020 CA-7	2020 Total	2021 CA-6	2021 CA-7	2021 Total
Vulcan Materials	\$13.73 @ 1500 tons = \$20,595	\$18.33 @ 1500 tons = \$27,495	\$48,090	\$13.83 @ 1500 tons = \$20,745	\$18.43 @ 1500 tons = \$27,645	\$48,390
Utility Transport Services	\$16.75 @ 1500 tons = \$25,125	\$21.50 @ 1500 Tons = \$32,250	\$57,375			

Recommendation

Plese present to the Board of Trustees to waive the bidding process and award a contract extension in an amount not to exceed \$48,390.00 for FY2021 for Course Aggregate Material to Vulcan Materials Co. of Naperville, IL. Please submit this recommendation to the Board of Trustees for their approval at the December 17, 2020 meeting.

December 4, 2020

To: Village of Lombard

Re: Contract PWO-20-20 Coarse Aggregate Material – 2021 Price Increase

Mr. Jack

We are pleased to offer an extension on the PWO-20-20 Coarse Aggregate Material contract with the following increases in material prices.

- Coarse Aggregate (CA-6) \$13.83/ton unit price
- Coarse Aggregate (CA-7) \$18.43/ton unit price

These material prices will be effective 1/1/2021 through 12/31/2021. Please let us know if you have any questions.

Sincerely,

Ali Jones
Sales Representative
