**Re: Award of Medal of Valor
Officers Steve Pokorny and Dan Kelly**

At the regularly scheduled Village Board of Trustees Meeting on May 6th, the police department would like to make a brief presentation of Medals of Valor to Officers Steve Pokorny and Dan Kelly. Both officers were involved in an incident with an armed, suicidal subject who they eventually disarmed and gained proper medical treatment for.

I would respectfully request that you place this on the Village Board's agenda.
