Village of Lombard

Metro Group would at this time like to formally request that the village board grant a license of operation to Metro Yellow and Metro Checker cab companies. Metro Group operates Metro Yellow & Metro Checker cab companies in Lake, McHenry, Kane & suburban Cook counties as well as I-Ride Cab Company in North Chicago and Great Lakes Illinois. We are a suburban division of TAS (Taxi Affiliation Services) operating Yellow, Checker, and Blue Diamond cab companies in Chicago along with the recent addition of American United dispatch to our affiliation. Yellow and Checker are the most recognized names in the industry and have been serving Chicago since 1915 as the leaders in local cab services.

Everyone at TAS is excited about the opportunity and challenge of bringing its almost 100 years of knowledge and expertise in providing local transportation to the village of Lombard. Metro Group currently holds licenses in Naperville, Oak Brook, Lisle, and Westmont in Dupage County. With existing operations in Waukegan, North Chicago, Crystal Lake and Tinley Park, Metro group also services a large and growing customer base in the counties of Lake, McHenry, Kane, and suburban Cook Counties.

Our new dispatch center and driver training facilities are now under construction near O'Hare. Slated for completion in the next 6 to 8 weeks this state of the art facility will provide the absolute best in customer service. Our current fleet in Dupage County is now being trained on the various senior transportation programs, licensing requirements, vehicle inspections, and customer service policies that are required of them throughout the county.

We look forward to the opportunity to service the village of Lombard. Please feel free to contact me if you have any questions or need further information.
