## LOMBARD POLICE DEPARTMENT

**To:** Chief Ray J. Byrne   
**From:** Deputy Chief Dane Cuny  
Patrol Division Commander  
**Date:** September 16, 2005  
**Subject:** Disposal Outdated Radar/ Laser Units

The police department regularly updates our traffic radar/ Laser units by purchasing new units each year through the State of Illinois purchase contract. As these older units are replaced we have been keeping them as spare units. We have now accumulated nine outdated radar units and one laser that no longer meet our needs with some units no longer functioning.

These units have a nominal value and trading the units in on future purchases is not possible due to the State purchasing contract that offers exceptional pricing with no trade in. Rather than discard the units, we typically put out a type 3 teletype message asking other police agencies if they would be interested in the units.

I respectfully request that these radar/ laser units be declared surplus by the Village Board and donated to any Illinois Law Enforcement agency(s) that may be interested. Attached is a draft ordinance that lists of the nine radar and one laser units and their serial numbers. We are requesting waiver of first reading to expedite the disposal.
