SUBJECT: **Bluestone Single Tenant Properties Economic Incentive Agreement**

Staff is presently working with the petitioner for the above-referenced petition regarding issues on their proposed agreement. Those issues should be finalized today or tomorrow, but will not be addressed in time for the items to be distributed with the Trustees' packets. In order to have this issue resolved prior to the Board's consideration and to have appropriate language incorporated into the document, we will provide you a final agreement as part of the late agenda packet.
