SUBJECT : Social Services Contract

Last year the Community Relations Committee recommended that the Village contract with a company to provide a Social Services Program to assist staff with various types of crisis counseling and social worker services. In May of 2011, the Village contracted with Association for Individual Development (AID) to provide a Social Services Program.

The Village has received commendable service from AID in the past year and recommends approval of a contract for an additional year. The one-year contract is in the amount of \$25,000 paid on a quarterly basis.
