RE : WAIVER OF BID – EXERCISE EQUIPMENT

The Foreign Fire Insurance Tax Board (2% Fund) has approved the purchase of a replacement bench-press machine, a multi-gym at Fire Station Two and a Life Fitness Treadmill (replacement) for Fire Station One.

The equipment is provided by **Life Fitness** and is a sole vendor.

I recommend to Waive the Bidding process and award to **Life Fitness** the purchase of the three pieces of exercise equipment in the amount of \$12,190.56.

Quote from Life Fitness*

To: Chief Seagraves, Fire Chief.

From: 2% Board

Regarding: Work out equipment.

Please place before the board of Trustees for April 21st meeting for the purchase of workout equipment.

The treadmill for station #1 is a replacement of equipment. The treadmill is from Life Fitness 91Ti with heart rate. This is a commercial grade treadmill with 2 yr warranty on parts and one-year warranty on labor.

The Smith machine and Multi-gym are for station #2

- The Smith machine is a replacement for the bench-press machine. The Safety Committee has recommended the removal of the Bench press and to be replaced with a Smith machine.
- 10 year warranty on frame
- One-year warranty on parts, hardware, upholstery.

*The multi-gym is in addition of equipment and also combining of equipment.

- On recommendation from the Fitness committee to make use of limited space at station #2
- 10-year warranty on frame
- One-year warranty on parts, hardware and upholstery

The President and Vice President of the 2% Committee has done a lot of research on the different styles and types of equipment, which vary widely. With help of the Safety -Committee and Fitness- Committee we have reached the conclusion that these machines best meet the needs of the department. Life Fitness is offering us a large discount since we are obtaining all three pieces as one purchase. They are also the sole provider for this equipment. Note we are buying direct from manufacture, this is the reason there is only one quote. The total amount of purchase is \$12,190.56 This includes delivery and installation.
