Subject: Request use DuPage County Highway Department Contract for Hot Mix

On February 1, 2007, bids were opened by DuPage County for the purchase of Group III Bituminous Paving Materials. Bid specifications were sent to five (5) vendors, with five (5) bidders responding who met DuPage County Highway Department specifications. The bid results are as follows:

Supplier	Material	Unit Price
DuPage Materials Co. 13769 Main Street Lombard, IL. 60439	Group III Superpave Binder Group III Superpave Surface Grindings Recycling	\$37.50/ton \$41.50/ton \$5.50/ton

Chicago Materials Naperville, Illinois	Group III Superpave Binder Group III Superpave Surface Dumping of Asphalt Grindings (Could not Locate Facility)	\$34.00/ton \$42.50/ton \$5.50/ton

I contacted Mr. Scott Perkins, Asphalt Sales Manager, for DuPage Materials Company to request approval to use the State of Illinois Bid for Group III Hot Mix Asphalt awarded to DuPage Materials in 2006. He stated that the State contract had been awarded in 2006 and was a 2 year

contract and that the Village could not purchase through that contract being it would be in the middle of the contract. After being awarded the DuPage County Highway Department contract, Mr. Perkins contacted me stating that he would extend the same pricing to the Village for the upcoming year if we use the County contract. I contacted Tim Sexton and asked if we could do so and was informed that according to the Villages Purchasing Manual we could in fact enter into a contract with DuPage Materials at the same pricing as the bid results for DuPage County. On March 2, 2007, I received the attached letter from Mr. Perkins informing me that the Village could tag along on DuPage County Bid at the same pricing. Included with this memo were the bid results from the DuPage County Bid Opening. Therefore I am requesting a waiver of bids and award a contract with DuPage Materials Company in the amount of \$221,615.00 for the purchase of Group III Hot Mix and \$17,600.00 for the recycling of asphalt grindings.

Attached please find a spread sheet showing prices with mileage allowance included.

Please place this on the May 17, 2007 agenda for consideration by the Village Board.
