SCHEDULE VII - PARKING PROHIBITED AT ALL TIMES ON CERTAIN STREETS  
 In accordance with Section 10-13-6 and when signs are erected giving notice thereof, no person shall, at any time, park a vehicle upon any of the following streets or parts of streets:

The Committee voted to recommend an increase in the North Chase Avenue parking space availability to accommodate approximately four (4) to six (6) vehicles along the North Chase Avenue frontage of the B4 zoned property. This action requires an ordinance to the Traffic Code as follows.

On August 3, 2009, the Transportation and Safety Committee discussed parking conditions on North Chase Avenue. Specifically, parking on the east side of North Chase Avenue is currently prohibited at all times. However, on-street parking has increased on North Chase Avenue due to the overflow of employee vehicles from a nearby business (730 E. St. Charles Road), causing reports of increased litter in parkways and lawns, and competition for parking in front of residential homes. Several options, from taking no action to increasing various parking availability scenarios, were discussed as viable solutions to this concern.
