TITLE: BOT 04-19: An Ordinance Amending Title 15, Chapter 151, Section 151.06 of the Lombard Village Code Regarding a New Flood Insurance Study

SUBMITTED BY: Department of Community Development

Background/Policy Implications:

The Department of Community Development staff transmits for your consideration its recommendation regarding the above-referenced ordinance. This ordinance would update the Code to reference the newly published Flood Insurance Study including Regulatory Flood Maps dated July 1, 2004. The Village must adopt the new Flood Insurance Study by December 16, 2004 in order to maintain good standing in the National Flood Insurance Program. The maps can be viewed through a link on the Village's website.

Community Development and Public Works engineering staffs have reviewed the maps through their draft stage and recommend that this ordinance be approved. The maps have been presented to the Public Works Committee and the Committee also recommends that this ordinance be approved. (ALL DISTRICTS)

Fiscal Impact/Funding Source:

The Flood Insurance Study and Regulatory Flood Maps were created by the County of DuPage and published by the Federal Emergency Management Agency and at no cost to the Village.
