MEMORANDUM

TO: Scott R. Niehaus, Village Manager

FROM: William J. Heniff, AICP, Director of Community Development

DATE: October 2, 2014

SUBJECT: **Disconnection (De-Annexation) of Portions of Technology Drive Right-of-Way (Re-Adoption)** *NO*

On July 17, 2014, the Village Board adopted Ordinance 6972 which consented to the disconnection of a portion of the former Technology Drive public right of way and annexation of the same tract by the Village of Oak Brook. A provision of this agreement was that it would be executed by the Village of Oak Brook within sixty days of its adoption by the Village of Lombard.

Oak Brook informed Lombard staff that due to administrative and legal publishing issues required by State Statute, the matter could not be scheduled in time to meet the sixty day notice requirement. As such, the original Ordinance adopted by Lombard is now of no effect. However, both municipalities are interested in pursuing the matter and as such, staff is bringing forward the original ordinance for re-adoption by the Lombard Village Board.
