1. **Incorporation of Recitals**: The Village and Owner agree that the foregoing recitals are incorporated in this Agreement as if fully recited herein.

2. **Development of Subject Property**: Village and Owner agree that the Subject Property shall be developed in accordance with the terms of this Agreement.

3. **Annexation**: Subject to the provisions of Article 7 of Act 5 of Chapter 65 of the Illinois Compiled Statutes, the parties agree to do all things necessary or appropriate to cause the Subject Property to be duly and validly annexed to the Village as promptly as practicable after the approval and execution of this Agreement. The parties shall cause such annexation to be effected pursuant to the provisions of Section 5/7-1-8 of Act 5 of Chapter 65 of the Illinois Compiled Statutes.

4. **Zoning**: Upon annexation of the Subject Property to the Village as set forth herein, the entire Subject Property shall be classified under the R-1 Single Family Residence District by operation of law.

5. **Subdivision and Development**: A variation is hereby granted from Section 154.302 of the Lombard Village Code, eliminating the requirement to provide a sidewalk along Vista Avenue adjacent to the Subject Property.

6. **Development of the Subject Property:** The Owner represents that it proposes to construct a new single-family residence on the Subject Property (hereinafter “the New Residence”) immediately north of the existing single-family residence (hereinafter the “Existing Residence”) on the Subject Property. The Village hereby represents that the Village will issue a building permit to allow for the construction of the New Residence and allow for the Existing Residence to temporarily remain on the Subject Property, subject to the following conditions:

- A. At such time that the construction of the New Residence has been completed, final inspections by the Village have been conducted, and the Village has determined, in its sole discretion, that the construction of the New Residence is complete and in full compliance with the Lombard Village Code, the Village will issue a Conditional Certificate of Occupancy, provided that the Owner has applied for and received a demolition permit for the razing of the Existing Residence located on the Subject Property.
- B. The Owner shall commence and complete the razing of the Existing Residence within thirty (30) days from the date of issuance of the Conditional Certificate of Occupancy for the New Residence. This date may be extended by mutual agreement of the Village and Owner based upon *force majeure*.
- C. In the event that the Owner does not complete the razing of the Existing Residence within said thirty (30) day period, subject to the extension provisions of subsection B above, the Village shall have the authority to hold any bond(s) and/or letter(s) of credit associated with the construction of the Existing Residence and/or utilize said bond(s) and/or letter(s) of credit to pay for the costs of removal of the Existing Residence. In this regard, Owner hereby consents to the Village’s use of said bond(s) and/or letter(s) of credit for the purposes set forth herein, and authorizes the Village to enter the Subject Property and carry-out any such demolition.

- D. Upon completion of the removal of the Existing Residence from the Subject Property, the Owner shall apply for a Final Certificate of Occupancy for the New Residence. Provided that the Owner has met all provisions of Village Code, the Village shall issue a Final Certificate of Occupancy for the New Residence at said time.

7. **Resubdivision Provisions:** The Village hereby represents that the Village will approve a two (2)-lot resubdivision as depicted on the Plat of Subdivision attached hereto as "Exhibit B" and made a part hereof, irrespective of any changes that may occur to the Subdivision and Development Ordinance and/or Zoning Ordinance made by the Village after the date of approval of this Agreement. Said Plat of Subdivision shall not be considered approved, nor shall it be recorded, until such time that the Existing Residence located on the Subject Property is razed.

8. **Water Main Extension:** The Owner shall construct a watermain extension to service the Subject Property, as more fully depicted on Exhibit "C" attached hereto and made part hereof. Upon completion of said watermain extension, the Village will enter into a recapture agreement with the Owner, in the format attached hereto as Exhibit "D" and made part hereof, with an appropriate proration of the costs of said watermain extension, between the Owner and those other properties that will benefit from the construction of said watermain extension.

11. **Consent to Creation of a Special Assessment or Special Service Area:** In consideration of this sidewalk variation request as set forth in Section 5 of this Agreement, Owner agrees that it will not object to the creation of a Special Assessment or Special Service Area incorporating the Subject Property with respect to the construction of any street improvements required to bring the adjacent right-of-way up to the Village's standards for public street improvements and which may become necessary at a future date, and affecting the area of the Subject Property. The assessment formula for any such future Special Assessment(s) or Special Service Area(s) shall be determined as required by law, taking into account the relative benefit to the Subject Property as a result of the public improvements constructed.
