From: John L. Mannino, Fleet Supervisor

Subject: FY14 New Vehicle Purchase

Included in the FY14 budget is the replacement for a Public Works Street Division 4x4 pickup truck with plow (unit # ST322). This truck is available for joint purchase through the SPC however it has been our experience that we can obtain a lower net price by letting other dealers bid for our trade-in.

Public Works solicited three proposals and Roesch Ford had the lowest net price. The price for the new 4x4 pick-up with plow is \$33,019 minus a trade-in allowance of \$17,500 equals a net price of \$15,624. We have \$26,000 in reserve for this vehicle purchase.

Vendor	New Vehicle Price	Trade-in Allowance	Net Cost
Roesch Ford Bensenville, IL	\$33,019	\$17,500	\$15,624*
Currie Motors Frankfort, IL (SPC Dealer)	\$31,763	\$15,000	\$16,763
Freeway Ford Lyons, IL	\$33,194	\$15,750	\$17,594*

**net cost includes \$105.00 for license plates and title*

I recommend the B.O.T. waive bid and award a contract to Roesch Ford of Bensenville (IL) in the amount of \$15,624 for one new 4x4 pick-up truck with plow. I also recommend declaring Village unit ST322 as surplus per the attached ordinance and authorizing its trade-in. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the December 5, 2013 meeting.

ADDITIONAL TERMS AND CONDITIONS

1. As used in this Order the terms (a) "Dealer" shall mean the authorized Dealer to whom this Order is addressed and who shall become a party hereto by its acceptance hereof, (b) "Purchaser" shall mean the party executing this Order as such on the face hereof, and (c) "Manufacturer" shall mean the Corporation that manufactured the vehicle or chassis, it being understood by Purchaser and Dealer that Dealer is in no respect the agent of Manufacturer, that Dealer and Purchaser are the Sole parties to this Order and that reference to Manufacturer herein is for the purpose of explaining generally certain contractual relationships existing between Dealer and Manufacturer with respect to new motor vehicles.
2. Manufacturer has reserved the right to change the price the Dealer of new motor vehicles without notice. In the event the price to Dealer of new motor vehicle of the series and body type ordered hereunder is changed by Manufacturer prior to delivery of the new motor vehicle ordered hereunder to Purchaser, Dealer reserves the right to change the cash delivered price of such motor vehicle to Purchaser accordingly.
3. If the used motor vehicle which has been traded in as part of the consideration for the motor vehicle ordered hereunder is not to be delivered to Dealer until delivery to Purchaser of such motor vehicle, the used motor vehicle shall be reappraised at that time and such reappraisal value shall determine the allowance made for such motor vehicle. If such reappraised value is lower than the original allowance therefor shown on the front of this Order, Purchaser may, if dissatisfied herewith, cancel this Order, provided, however, that such right to cancel is exercised prior to the delivery of the motor vehicle ordered hereunder to the Purchaser and surrender of the used motor vehicle to Dealer.
4. Purchaser agrees to deliver to Dealer satisfactory evidence of title to any used motor vehicle traded in as part of the consideration for the motor vehicle ordered hereunder at the time of delivery of such used motor vehicle to Dealer. Purchaser warrants any such used motor vehicle to be his property free and clear of all liens and encumbrances except as otherwise noted within.
5. Dealer shall have the right, upon failure or refusal of Purchaser to accept delivery of the motor vehicle ordered hereunder and to comply with the terms of this Order, to retain as liquidated damages any cash deposit made by Purchaser.
6. Manufacturer has reserved the right to change the design of any new motor vehicle, chassis, accessories or parts thereof at any time without notice and without obligation to make the same or any similar change upon any motor vehicle, chassis, accessories or parts thereof previously purchased by or shipped to Dealer or being manufactured or sold in accordance with Dealer's orders. Correspondingly, in the event of any such change by Manufacturer, Dealer shall have no obligation to Purchaser to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof to Purchaser.
7. Dealer shall not be liable for failure to deliver or delay in delivering the motor vehicle covered by this Order where such failure or delay is due, in whole or in part, to any cause beyond the control or without the fault or negligence of Dealer.
8. The price for the motor vehicle specified on the face of this Order includes reimbursement for Federal Excise taxes, but does not include sales taxes, use taxes or occupational taxes based on sales volume, (Federal, State or Local) unless expressly so stated. Purchaser assumes and agrees to pay, unless prohibited by law, any such sales, use or occupational taxes imposed on or applicable to the transaction covered by this Order, regardless of which party may have primary tax liability therefor.
9. If a charge for Creditor Life Insurance is included in this Order, the provision on Creditor Life Insurance in any retail installment contract form subsequently executed between the parties hereto in conjunction with this Order shall be fully effective. If such insurance is unavailable or party unavailable under the designated policy, the applicable portion of the charge for Creditor Life Insurance specified herein, and the finance charge thereon, may be deducted from the Total Time Balance and credited to the Purchaser. If such insurance does not become effective, notice thereof will be sent to the Purchaser by the Dealer and this Order and any retail installment contract executed in conjunction therewith shall otherwise remain fully effective.
10. There are no warranties, expressed or implied, made by the seller herein, or the manufacturer, on the vehicle or chassis described on the face hereof except in the case of a new vehicle or chassis. The printed new vehicle warranty delivered to Purchaser with such vehicle or chassis and hereby made a part hereof as though fully set forth herein is the only warranty applicable to such new vehicle or chassis and is expressly in lieu of all other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose. In the case of a used vehicle or chassis, the applicability of an existing manufacturer's warranty thereon, if any, shall be determined solely by the terms of such warranty.
11. Any used motor vehicle sold to Purchaser by Dealer under this Order is sold at the time of delivery by Dealer without any guarantee or warranty, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, as to its condition or the condition of any part thereof except as may be otherwise specifically provided in writing on the face of this Order or in a separate writing furnished to Purchaser by Dealer.
12. The Purchaser, before or at the time of delivery of the motor vehicle covered by this Order will execute such forms of agreement or documents as may be required by the terms and conditions of payment indicated on the front of this Order.
13. In the event Purchaser desires to modify or otherwise change the equipment content of a vehicle specifically ordered for him from the Manufacturer, the change will be made only if the Manufacturer has sufficient time to accommodate the request. Moreover, any service charge or fee made by the Manufacturer as a result of such request will be borne by the purchaser.
