2023 Pavement Marking Replacement Program

The purpose of the 2023 Pavement Marking Program is to replace deteriorated and damaged pavement markings. The Village evaluates the markings to determine the areas in need of marking improvements. There are also miscellaneous locations that need stop bars or cross walks.

DuPage County opened bids for a County-wide project on March 14, 2023 and awarded the 2023 Pavement Marking Maintenance Program to Superior Road Striping, Inc. of Melrose Park, IL on March 28, 2023 by Resolution DT-R-0057-23.
