FIRE DEPARTMENT NEWS

Structure Fire

On Saturday, July 20, 2024, at approximately 9:17 a.m., the Lombard Fire Department responded to a reported fire involving a detached garage on the 200 block of East Central Avenue.

As the fire crews departed their respective stations, they observed a large column of heavy

black smoke, indicating a significant fire. The first crew arrived on scene at 9:22 a.m. to find a fully engulfed detached garage, with fire extending to an adjacent detached garage and nearby overhead electric company transformers.

Firefighters rapidly deployed multiple hose lines to combat the fire and brought the fire under control within ten minutes of arrival. Their swift and coordinated response successfully contained the flames to the detached garages, preventing damage to adjacent residential structures.

There were no injuries to residents or firefighters. The estimated damage is approximately \$115,000.00. The Lombard Fire Investigations Unit is currently investigating the cause of the fire.

Lombard firefighters were assisted on the scene by Elmhurst, Villa Park, and Wheaton Fire Departments, as well as the Oakbrook Terrace and York Center Fire Protection Districts. The Lombard Police Department aided with traffic control and checking on nearby residents.
